HOMECOMING IS BRUIN SPIRIT

Homecoming week showed what true spirit is about. Bruin spirit spread rapidly throughout school with enthusiasm of student inspiration. There couldn't be any other week holding so much fun and excitement for the involved student body.

Each day held an amusing, fun filled activity. Starting out, Monday was tagged "Inside-Out Day." The dunk tank was introduced during lunch giving students a new way of getting back at their "favorite" teacher. Monday was also the beginning of the mum sale that lasted all week. The nostalgia craze went wild Tuesday, with halls filled with guys and dolls beboppin dressed as teenangels. Lunch gave a chance to vote for Mr. Touchdown. Jumping into the future, everybody dressed as "What I Want To Be Like When I Grow Up" on Wednesday.

Coronation assembly brought the week to an exciting climax. Seven princesses walked forth with fluttery stomachs and flowing gowns. Classes were represented by Princess Ann Thornfeldt, Kathy Strebin, Lori Jury, and four senior princesses, Gina Fuller, Sue Rohrberg, Laurie Allen, and Diane Keels being crowned 1974 Homecoming Queen.

Head and Toe Day gave special awareness to people's hair and feet. During lunch, slave sales were held with prices going as high as \$13.50 to everyone's amusement. Friday was crammed full of special events. During the pep assembly, the Junior class was announced as the "Class of the Week" for arousing all the great Bruin spirit toward our Victory that night. Preceding the game, many students turned out for the first bonfire --demonstrating our school's strong spirit and unity. Bruins poured into the stands and lined the sides of the field cheering the Bruins to a homecoming victory over Tigard. Homecoming week concluded with the sounds of Vegas.

AMERICAN DAME

THE AMERICAN DAME carried a strong message of womens liberation. Even though the play was written 10 years ago, it is very relevant to the womens liberation movement of the 70's. The costumes worn by actors Jeff Auvil, Dan Berreth, Ron Palmblad, Kerry Sattergen, and Neal Skibinski was somewhat of a surprise. Each of the 10 actresses Laurie Boom, Nicki Calcagno, Patsy Franklin, Debbie Hopman, Karen Kilness, Karen Leathers, Sally Lomis, Jude Schrab, Laura Stacy, and Julie Wescott played many characters throughout the play. THE AMERICAN DAME is a documentary of women from the beginning, starting with Eve and ending with the women of today. Much hard work and many fun times were had by all. Faculty Director Mrs. Baumann went to much trouble to see that each and every movement of her actors and actresses was choreographed so that the play would flow with their movements. Mrs. Baumann and student director Sandee Miller put in many long hours working to make this presentation that Barlow audiences would long remember.

BOTTOM RIGHT: It was pointed out to Julie Wescott, by Neal Skibinski that even the holybook requires that a woman should obey her husband.

LETTERMEN RIPS FACULTY RIVALS

The mighty Lettermen matched up against the never faltering faculty, made for a game of fun and laughter. The quick footed Lettermen went into the game with the attitude of "It's not how you play the game, it's whether you win or lose." The faculty, using all their skill and endurance, still failed in defeating the mighty Lettermen, with the final score standing at Lettermen-57, Faculty-47.

The Lettermen sponsored a canned food drive, with all proceeds going to a non-profit organization called THE PLACE, here in Gresham. The canned food drive lasted all week with competition between reg. rooms and final contributions being made by charging fifty cents and a can of food for admission to the Lettermen-Faculty game and dance.

PROM BIGGEST BEST DANCE

The Junior-Senior prom of 1975 was the biggest and best in the history of Sam Barlow High. The dance was held at the Quay Inn in Vancouver Washington. The students which attended the formal spring dance all agreed that the effort and planning resulted in one of the highlights of the year.

Juniors and Seniors danced to the melodies of the band 'Star Dust.' An enjoyable time was had by all attending and the romantic atmosphere was especially alluring to many of the couples. The band played both slow and fast contemporary songs which made an immediate hit with the upperclassmen.

The sophisticated location, the special refreshments, arrangements and the fantastic band all contributed to the most successful prom ever sponsored by a Junior class.

BEAR DOWN WEEK HAS SUPPORTERS

BLUE JEANS were the craze for the first day of BEAR DOWN WEEK. Tuesday brought out color blindness in all as Barlow's halls filled with eye stabbing colors of CLASH DAY. The rock n' roll era was evident in styles and language on 50's DAY. Wednesday cries of head em' up and move 'em out were heard in the corral wells and chuckwagon. The masked man and his faithful companion, Tonto galloped through the halls on COWBOY DAY. Spirit of Barlow was shown in true colors on BLUE AND GOLD DAY.

Licorice was everybody's favorite during lunch and only cost a thin dime. How many whoppers are in the jar? That was the dilemma during lunch and winner took all. As traditionally boutonnieres and mums were sold for that special someone. Slippery times were had by all or at least those brave enough, in the grease chase held outside on the baseball field.

FHA showed their talents by selling baked goods and everyone chowed down. The aroma of popcorn filled the cafeteria with the compliments of FFA. Mr. Valentio was sponsored by Varsity rally and lover boys everywhere stood and were counted but only a few could make it. Seniors: Bob OBrien and Rob Hartsock. Juniors: Geno Regimbal. Sophomore: Mark Jordan. Freshman: Dave Stillwell and Kevin Bartel. What hookers.

Wrestlers of the week or Mr. Take down could be voted on along with getting your favorite, bubble gum. The comics were great. Seniors: Mike Whistler. Junior: Kendall Newbry. Sophomore: Doug Parks. Freshmen: Kevin Bartel. Princess's were escorted royally during the game and Queen Jackie Stafford was presented to the cheering crowds. Vegas brought sounds of mellow-ness to Barlow after an enthusiastic game. The all-mighty bruin studs ripping on their opponents. BEAR DOWN WEEK was great.

BOTTOM: John Surmeyer announces BEAR DOWN WEEK activities at the assembly at the end of the week.

INTERNATIONAL WEEK SUCCEEDS

INTERNATIONAL WEEK was another cultural happening at Barlow High. Each day was assigned a country and the spirit even went so far as to have the lunches being from France on Monday. Monday also brought a mardi gras parade, entertaining everyone during lunch period. Tuesday was German Day, Wednesday: Lousianna and Caribbean Region Day, Thursday: Italy Day, Friday: South American Day.

Val-o-grams with "I Love You" written in Foreign languages were sold during lunch by the Dance Team. Sweethearts were impressed. The assembly intrigued students with Hungarian dancers from Lewis and Clark College.

Varieties of food from Mexican dishes to Italian specialities were devoured by many at the FOOD FAIR after the game on Friday. Alot of hard work was put in by many to make the week memorable.

BLOOD DRIVE DRAWS BRAVE

The National Honor Society did their good deed for the community by sponsoring a blood drive. It was held in the gym and fifty-three donors brought their blood to help people in the Gresham area. Eighteen year olds and seventeen year olds with a parent permission could give blood and the student body and faculty showed they cared. Some parents also showed up. It was quite an experience for some who might have been a little scared but the reassuring nurses relaxed everyone and the cookies and orange juice weren't bad either.

TOP: Taking blood pressure painless, but important.
MIDDLE: Conrad Salmeier relaxes on the rest cot.
BOTTOM LEFT: Steve Fawver and Kerry Sattergren reassure each other.
BOTTOM RIGHT: Mr. Aaberg takes his mind off the nurses tactics.

EVENTS THAT WERE SPECIAL

The Barlow assembly program was filled with varied and diversified individuals and groups who contributed to the extra curricular activities. The Oregon State University band, the 1930's revisited, the Portland Wheelblazers, the Army Allstar wrestler Steve Bolen, and the international week Hungarian dancers were but a few of the successful performers. Governor elect Bob Straub answered questions during the political emphasis assembly and the Portland Storm succumbed to the East County Coaches team before the letterman dance.

In addition to pep assemblies, play preview assemblies and student body election gatherings, the students had many opportunities to get out of the class room and be exposed to other educational, entertaining programs.

MUSIC MAN IN RIVER CITY

Excellence on stage! That was how the play MUSIC MAN was accepted at Sam Barlow High School. Over two hundred individuals, students, parents, teachers and grade school students, were involved in the musical production.

Romantic complications and stubborn River City Iowanians blended together to make the production heartwarming, and humorous. Ron Palmblad, as Harold Hill, fell in love with the Librarian, Cindy Shultz. Prominent citizens and the school board were not tricked for long by Professor Hill and his assistant, Neal Skibinski, playing as Marcellus Washburn. The production ended well since a boys band was ultimately formed.

The twelve dancers, the Barbershop Quartet, the towns people, the orchestra, and the stage crew worked hard and long to make the MUSIC MAN a highlight of the year. Costumes were planned and prepared in September. Scene organization and construction started in February. Vocal practice and rehearsal lasted three and one half months. Director of the spring musical, Sunnie Baumann reported that the play was the largest production ever undertaken by the Barlow drama department.

Each night, upon completion, the cast received standing ovations for their fine effort. The play ran three consecutive nights and was attended by an overwhelming majority of the community. The school's reputation was enhanced through the labor of the costuming, choreography, orchestration as well as the acting. The attempt for a professional production was achieved. Each participant delivered his or her finest performance to make the MUSIC MAN a very special event.

FUN FEST '75 FANTASTIC!

Fun Fest '75 was the first time Barlow High School attempted to dedicate a day to activities that could be considered 'old fashioned fun'. Mr. Don Raines and Inter-Organizational Council president, Steve Casey, planned and coordinated the special day. Because of the student involvement during the planning process, many of the activities were suggested by students and were very successful.

Many students participated in the egg throw. Forty dozen eggs were distributed to individuals and the catching contest began! The winners were determined by how far they could throw the egg without it breaking. An intra-school track meet was held with students frequently outclassing faculty members. Chris Williams won the A & W Root Beer chugging contest, much to the chagrin of many boys!

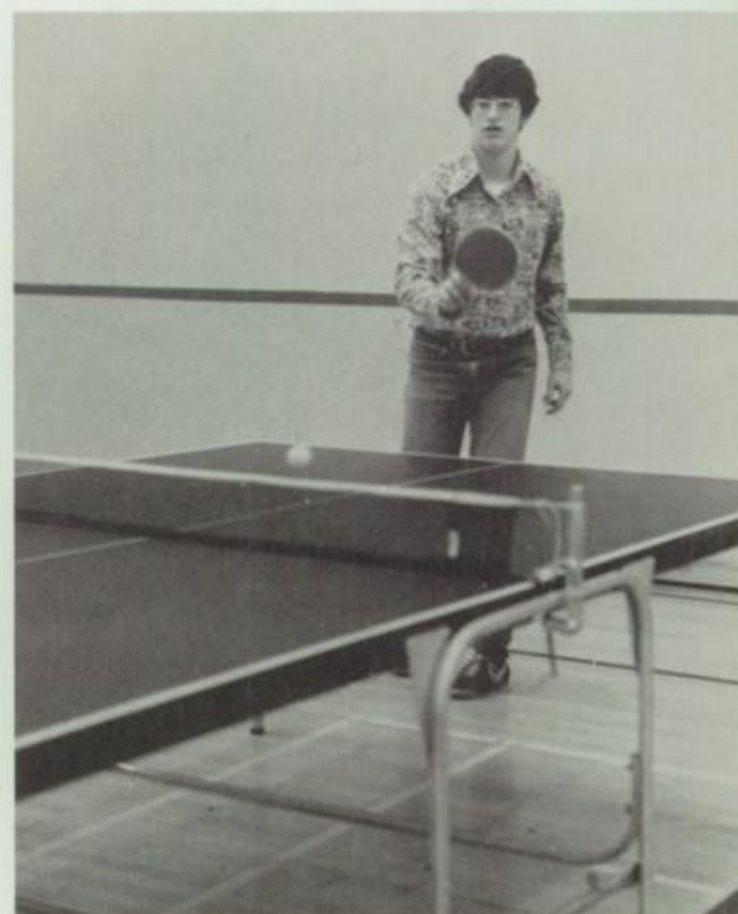

Mr. Curt Knight arranged for Gresham Honda to 'fix' two motorcycles for the backyard mechanics to repair and trouble shoot. Equestrian activities were held underneath the water tower. Archery and softball contests were organized and the student participation was fantastic. Volleyball, pingpong, and badminton were held in the gym. Lunch was served outside near the football field, forty cents purchased the hamburger and all the trimmings!

The day ended with an all school dance in the courtyard, thanks to Mike Burnell and the band 'Misty Morning'. While the dance was in progress a pie eating contest was held by Mrs. Junior.

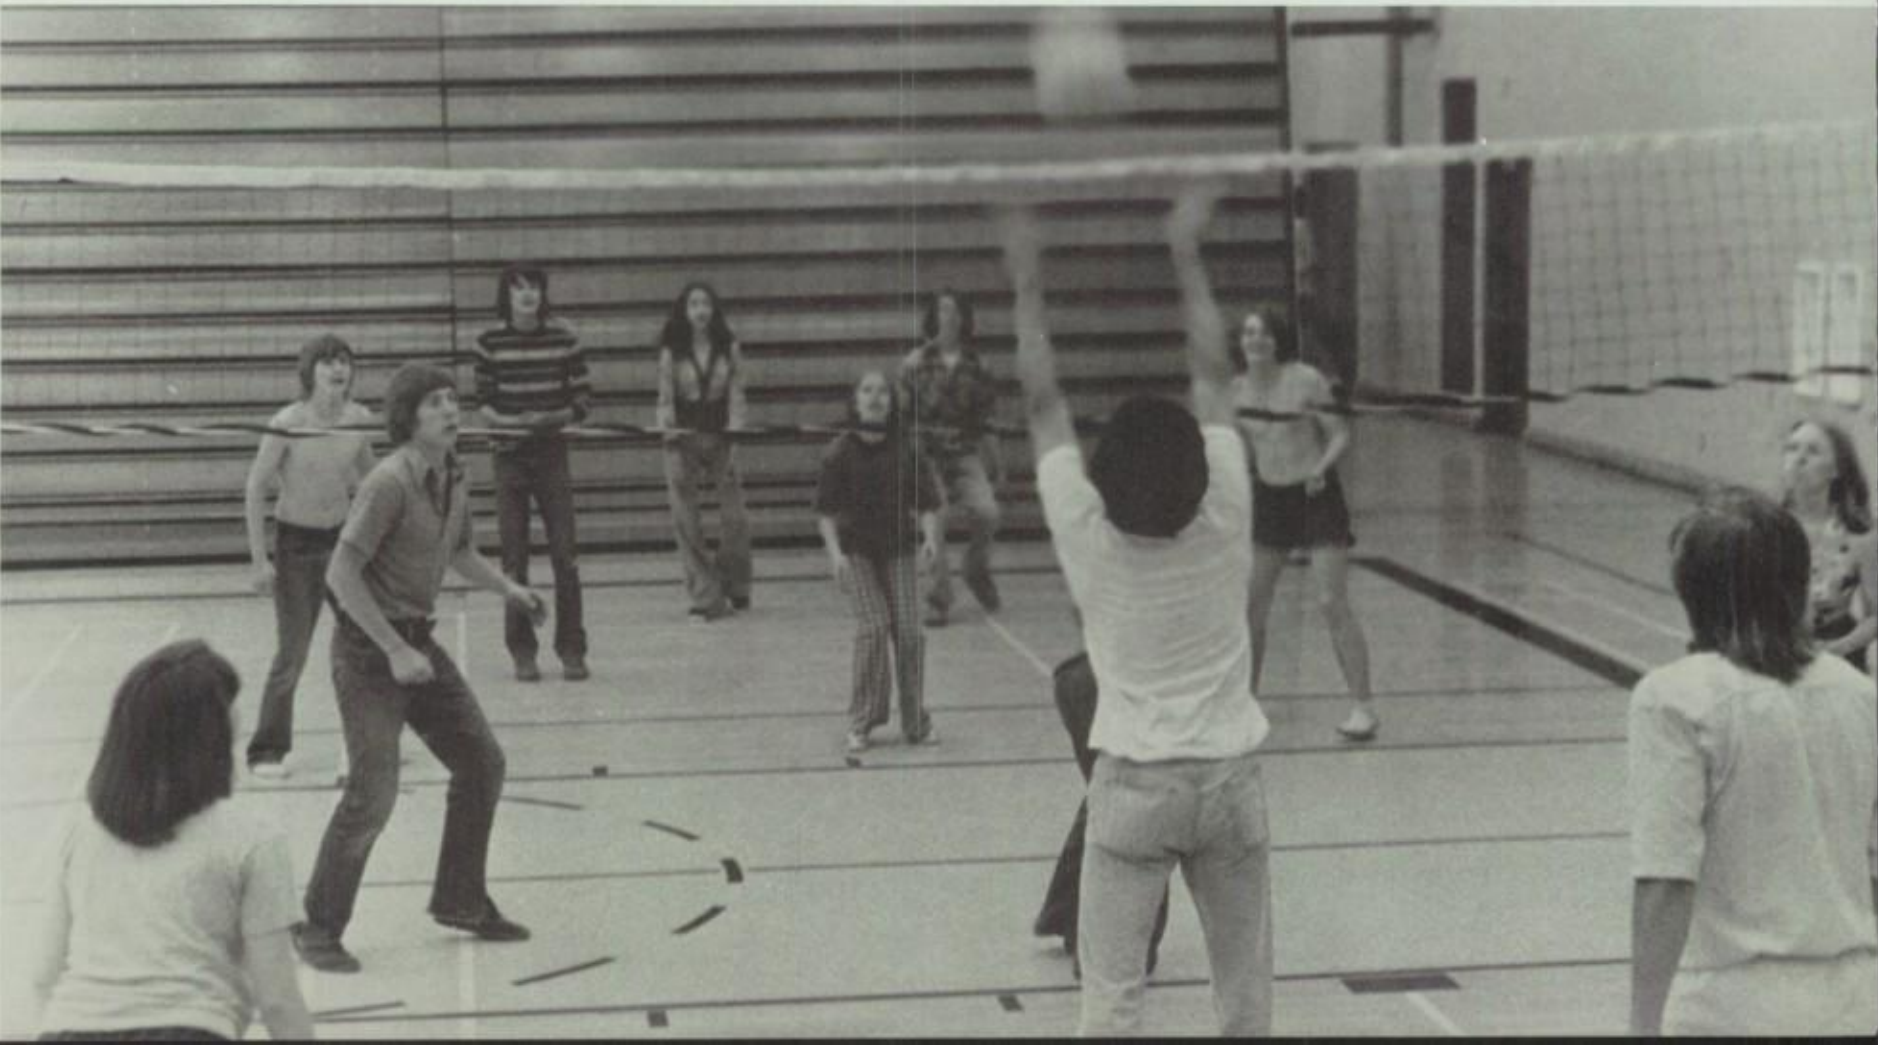

FUN FEST '75

SENIORS DINE A FUN NIGHT

The traditional Senior Banquet was delightfully different than the sophisticated, expensive dinner at a distant hotel. The seniors hosted the annual banquet at the Elks Club in Gresham.

A comical program was arranged by Marcella Steffl and Diane Keels, Norm Schultz highlighted a band skit and Scott Johnson contributed his narrative skills. An after dinner humorous oratory was delivered by Steve Casey with class advisors, JoAnne Anderson and Cliff Wells, handing out Hall of Fame Honors. A special wooden plaque was donated to the school by the senior class at this ceremony. Mr. Taylor had a few nostalgic comments he bestowed upon the 158 graduating seniors attending the dinner.

A fun and memorable time was enjoyed by all those present, the hoop whirling skit, awards, speeches, and individual recognition contributed to an outstanding banquet. Additionally the table decor and the rose that each young lady received was particularly special. Linda and Brenda Getchel, along with Paul Opray and Carrie Griffey were responsible for making the senior banquet a night to remember.

GREAT PROJECT VIEWPOINT

Many students gained competence with photographic equipment throughout the year, thanks to Project Viewpoint. Many students found that expression through visual methods was fun and made learning easier. The instamatic cameras were the back bone of the project, but many projects were filmed or videotaped.

Appearing on these pages and others in the book are samples of the student effort. Some of the most interesting were snapped while the photographer was learning how to use the camera. For those individuals involved in Project Viewpoint, 1975 was a year of projects and assignments to be remembered!

LETTERMAN CLUB EXCELS

The letterman club excelled in 1975 - 76! They promoted school spirit, unity, and athletic prowess.

The Bruin men sponsored a dance, competed in the club day play contest, and assisted various athletic teams with unyielding support. The lettermen have always been a service to Sam Barlow, but this year was a milestone of activity for the club.

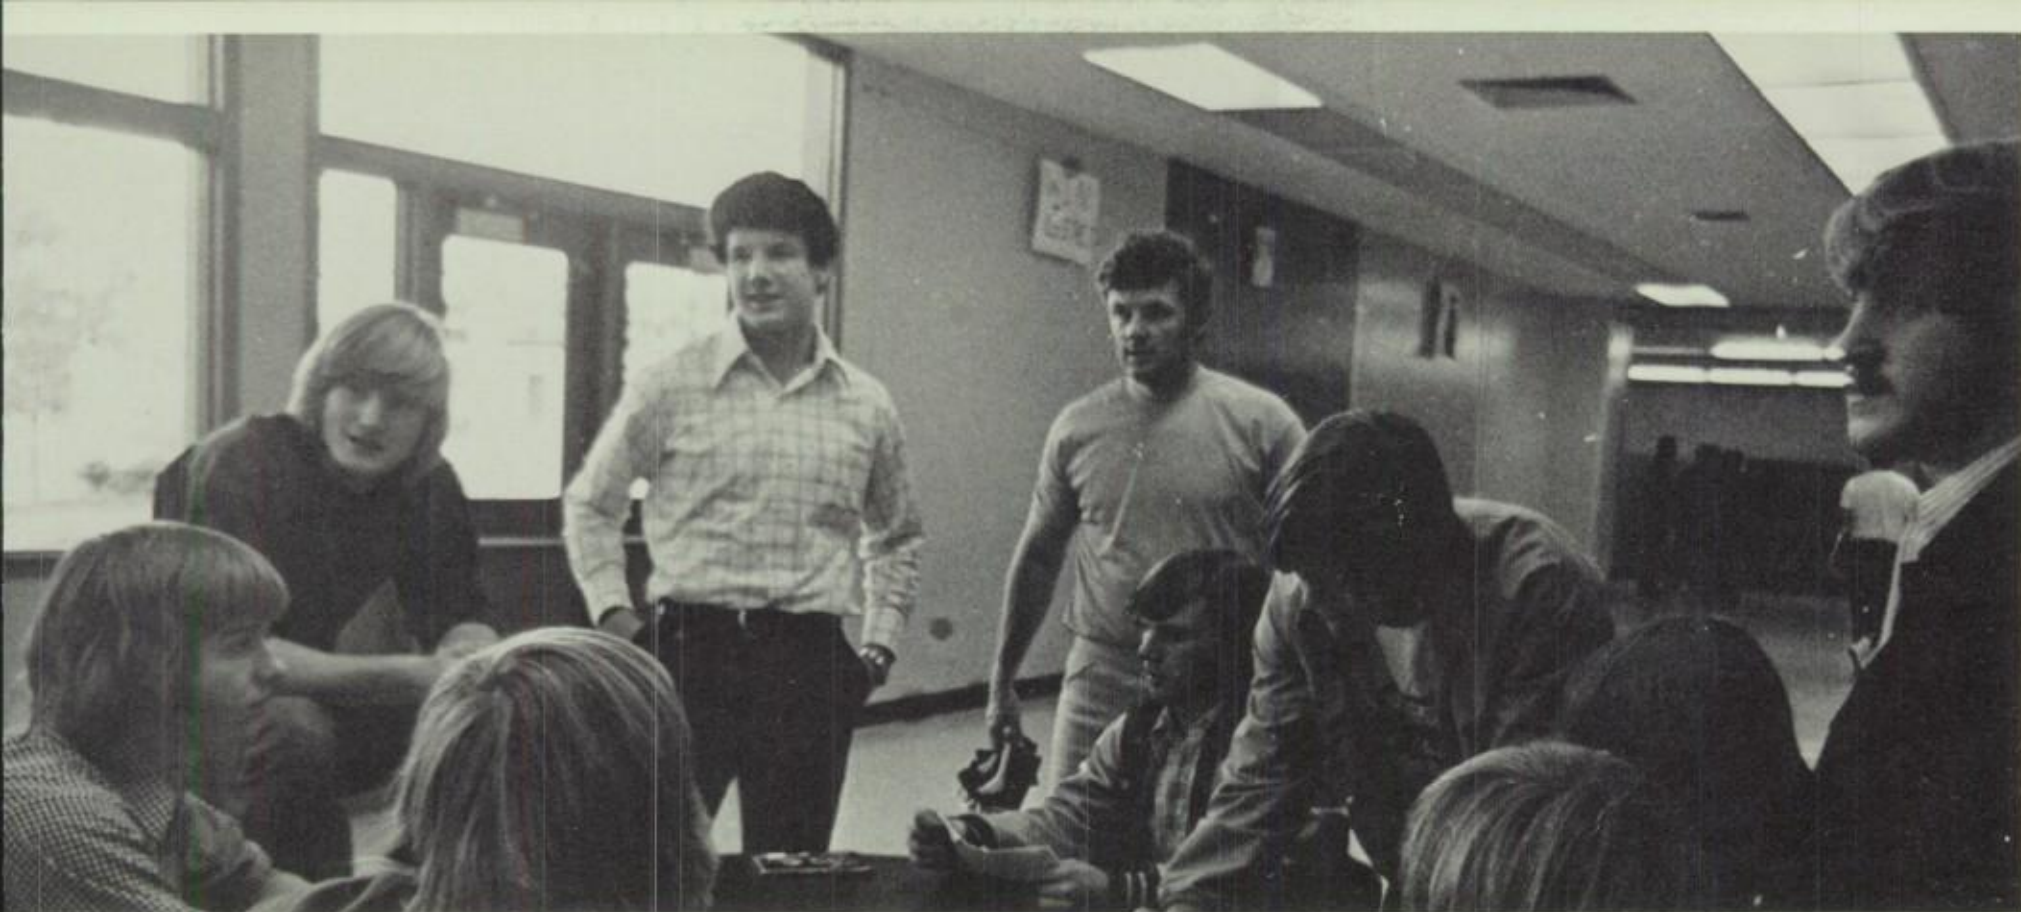

Faculty advisors Dale Stebbins and Mike DeBois were very vocal about the letterman. The club had good strong leadership and the members of the club were the backbone of every varsity sport in the school. Each member earned his varsity letter by participating and building the Bruin athletic program.

The letterman club took on a different look, much to the consternation of the advisors, long hair was in style. The bearded faces and shoulder length hair did not stop the letterman from playing their vital role in the student activity program and sporting events. The lettermen trounced the faculty in the annual faculty-letterman game. The basketball game and dance afterward was a highlight of the year for the entire student body.

BRUIN BANNER WINS AWARDS

Lucky 13 was the by word of the Bruin Banner staff this year! Many honors and awards were received by the school paper while publishing 13 editions for the student body.

The newspaper was awarded a 1st class certificate by the National Scholastic Press Association and received a mark of distinction for editorial leadership. Ken Johnston placed second out of 56 schools for sports writing ability at Mt. Hood Community College during a state media conference.

The entire staff deserved recognition as they spent many hours after school preparing layouts and meeting deadlines. Editor Cari Griffey and faculty advisor Bonnie Morgan were particularly pleased with the dedication, enthusiasm and team work which was displayed by the entire staff.

CUB STAFF WORKS HARD

The "Cub Scrubs" or the preparatory Bruin Banner class worked diligently to produce two of the thirteen editions of the school newspapers. The "Cub" staff members toiled long hours to learn the basics needed for reporting, photo layout, ad sales and many other elements that comprise newspaper publication.

Ms. Morgan applauded the efforts of this young group of students. The Cub Staff was composed of underclassmen aspiring to become part of The Bruin Banner staff in the future. Lori Bush, the editor for the Bruin Banner of 1976, was particularly successful at mastering the rudiments of newspaper publication.

DANCE TEAM SHOW SPIRIT

The dance team spent many hours in practice both day and night to form one of Barlow's best performing groups, through hard work and self discipline. They drew personal praise from both audience and coaches. The girls performed at assemblies, during halftime at football and basketball games and made a guest appearance at Lewis and Clark College.

The team consisted of sixteen performers, of which eleven were freshmen. Mrs. Mary Lee Junor, their advisor and Miss Kathy Jelenik, their choreographer, were pleased with the results of the hard work and long hours of practice. The girls made most of their costumes and drew special commendation from many observers for the originality of their dress.

GOVERNMENT AND COUNCIL

The student government efforts of 1974-75 were concentrated in two areas: promotion of student activities and acquisition of student privileges.

In the first area of concentration the student council was successful, the governmental body funded organizations, clubs and classes to assist them with many of the traditional activities.

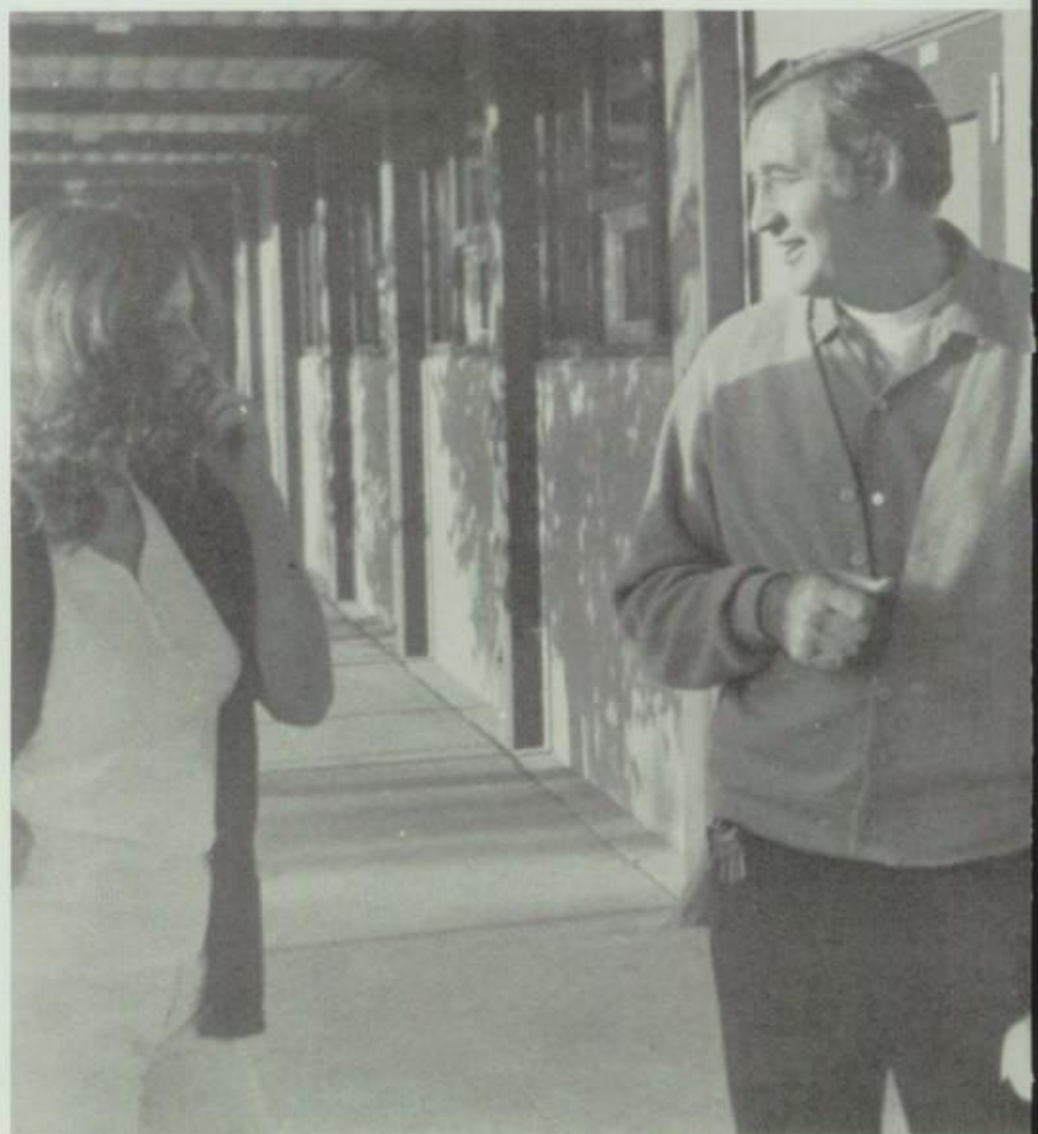

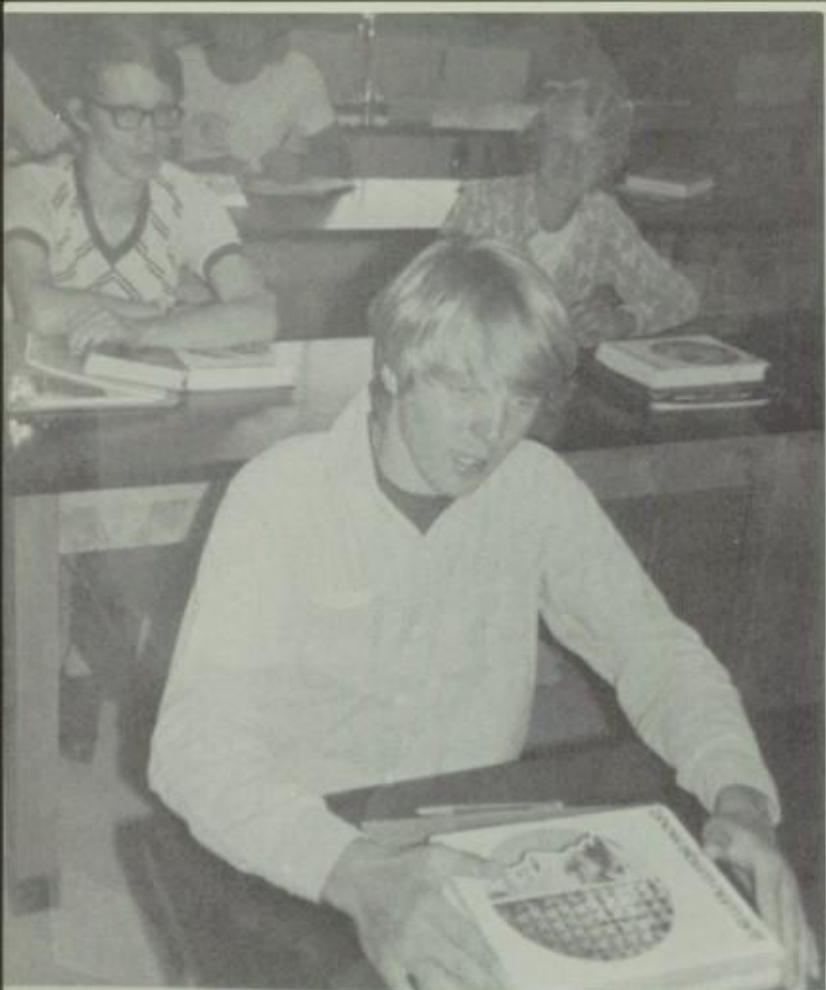

A highlight of the year was 'FUN FEST '75', which initiated by the I.O.C. chairman Steve Casey and faculty advisor Mr. Don Raines. The FUN FEST was a half day of activities which included an egg throwing contest, a courtyard dance, an intramural track meet and many other student activities. The Inter Organizational Council accomplished their purpose by directing and delegating the school activities.

ANNO MUNDI: LATE...LATE!

With the seniors departed, the Anno Mundi staff struggled to finish the yearbook and only missed four deadlines! Nevertheless, students and advisor alike found the task a memorable experience. Special appreciation was extended to the sophomores and juniors for all the additional assistance that was offered during the months of June and July.

Publishing a book of memories was a responsibility that was shared by the entire staff. After graduation, the remaining sophomores and juniors found out what it was like to order and print pictures, write copy, and identify captions. The Anno Mundi staff of 1975 hopes you enjoy the book and the memories of 1975.

FFA MEMBERS WIN CONTEST

The FFA is made up of mostly the better students who are enrolled in all of the agriculture classes for the year. It is an intra-curricular organization in the public school system that provides the members opportunities in leadership, public speaking and other educational activities.

Our members placed 1st in the Columbia River District soil judging contest, 1st in FFA Basketball, 2nd in the FFA Creed Speaking, 3rd in the district parliamentary team contest, 3rd in public speaking, 1st in the sectional creed speaking contest and 2nd in the state creed speaking contest. The members placed high in the state livestock and dairy shows. They sponsored a major sock hop and organized Bear Down Week. Many other activities sponsored by the FFA members included a picnic at Blue Lake Park, Fun Night meetings, Christmas party, Valentine dance and party, and many other events.

Chapter officers for this year were Mike Dillard Pres., John Surmeyer V. Pres., Cliff Fortune Asst. V. Pres., Doug Strebin Secretary, Dennis Moore Treasurer, Dan Strebin Reporter, and Dick Green Sentinel.

SPEECH GROUP WIN HONORS

The competitive speech department at Barlow once again displayed their skills by sending representatives to national competition. Brenda and Linda Getchell qualified at the state meet for the national tournament in Indianapolis, Indiana.

Coached by Mr. Mike Goertz and Wayne Gessford, the Barlow team had many students who performed well in the state tournament. Kevin Adams, Richard Ellis, Ray Young, Patsy Franklin, Doug Cheney and Eric Thiel were all outstanding in competition and won many awards.

BAND SETS WORLD'S RECORD

If you had been around the Gresham Mall on February 21 and 22, you would have heard Barlow's Symphonic Band playing their lips out to beat the existing world record for continuous playing. They played everything from Christmas music to Dvorak's "New World Symphony", filling the 27½ hours needed to break the record. AND THEY DID! From the money pledged, they took a 3 day tour to Canada, provided music scholarships, and donated \$1,000 to the choir.

Richard Fromm and Sharon Ledbury were selected to play in the All Northwest Band in Spokane.

Solos brought in great results from the Senior Division Solo Contest. Richard Fromm placed 1st and represented our league at the state contest. Suzanne Beem, Bill Rohrberg, and Katy Land brought home 2nd places, 3rd places were won by Sharon Ledbury, Bob Kettner, and Bill Osborne, With Gary Rodgers and Julie Wescott taking 4th places.

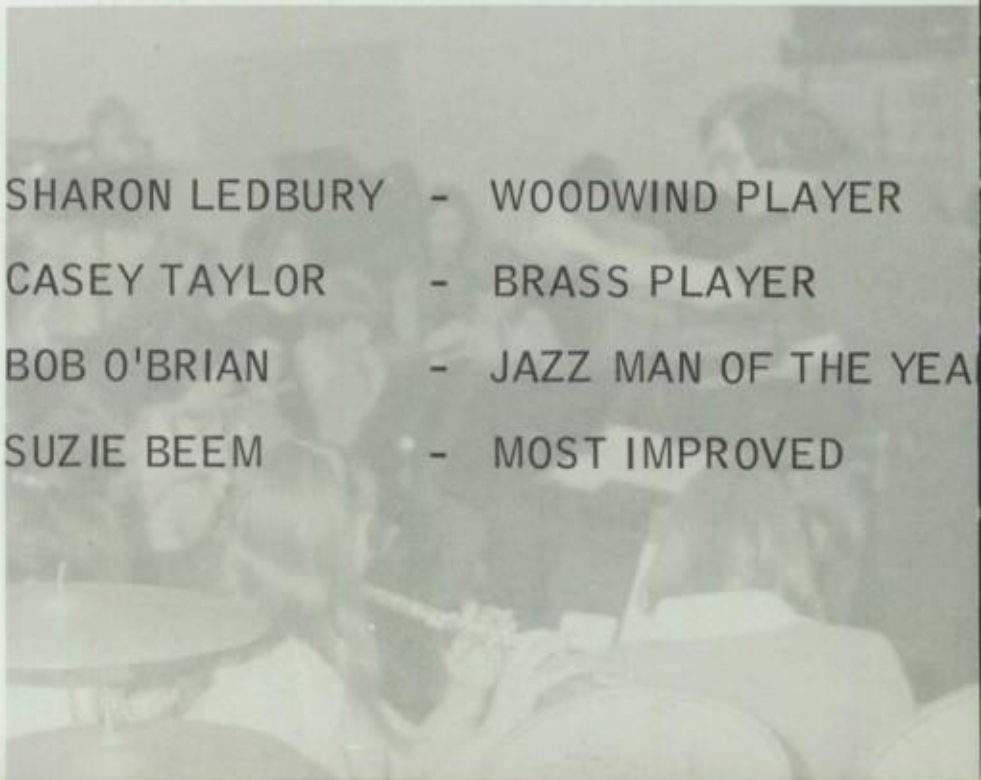

The Bruin Jazz Band placed 3rd at both the University of Portland and Clark College Jazz Festivals. At Clark College, Barlow was the only Oregon band to reach the finals.

The year finished with a very successful spring band concert in which all of the bands played to a packed auditorium.

CONCERT CHOIR

VIENNA BOUND

Excitement and enthusiasm was aroused when the concert choir received a special invitation to the international "Youth In Music Festival" in Vienna, Austria for the summer of 1975. The choir performed in cathedrals and churches.

The entire vocal department assisted in raising the funds necessary to obtain the goal of the European tour. The businesses in the Gresham area were particularly helpful with donations and publicity. The Sam Barlow student body attended the many dinners, concerts and special activities that were sponsored by the choir traveling group. Support for this honorary trip was wide spread, monies from the band marathon was donated, parents and teachers assisted with activities, and the Bruin Pa's helped the endeavor through contributions.

Participation in the festival was by invitation and only twelve school represented the United States. The choir from Sam Barlow was the first and only choir from the Pacific Northwest that received an invitation this year. The invitation was received from the Educational Scholarship Foundation in cooperation with the International Association For Cultural Exchange.

Venice, Rome, and other ports of call were on the agenda for this memorable tour. Under the direction of Mr. Bob Barber the choir represented Sam Barlow High school in its finest hour. Under the chairmanship of Mrs. Polly Casterline the trip was made financially possible.

Students making the tour viewed the Roman antiquity and famous ruins offered by the "Eternal City". They visited the famed splendor of the Schonbrunn Palace and residences of Austrian rulers. The touring group found the churches and cathedrals awe inspiring.

CHESS CLUB PLACES THIRD

The 1975 chess team placed 3rd out of nine teams in the Multnomah league. The team surprised many opponents during the tournament and won a position of respect from their fellow competitors. SKI CLUB AT MT. BACHELOR

This years ski club, the Bruin Blizards, accomplished a great deal. Every Saturday morning the skiers were up to catch the 7:15 bus to Multaphor-Ski Bowl for a days worth of skiing. They also planned an evening of skiing which included racing through a course the team had set up. To raise money the club sponsored a booth at the Food Fair. The money went to help for the three day trip to Mt. Bachelor slopes where they enjoyed sun and powder. The Blizards had the use of three beautiful condominiums and a Mercedes bus. This trip was a Barlow ski club first and they plan to make it an annual event.

The '74-'75 officers were: President Marli Styskel, Vice-President Doug Strebin, Secretary-Treasure Erin Pfeifer.

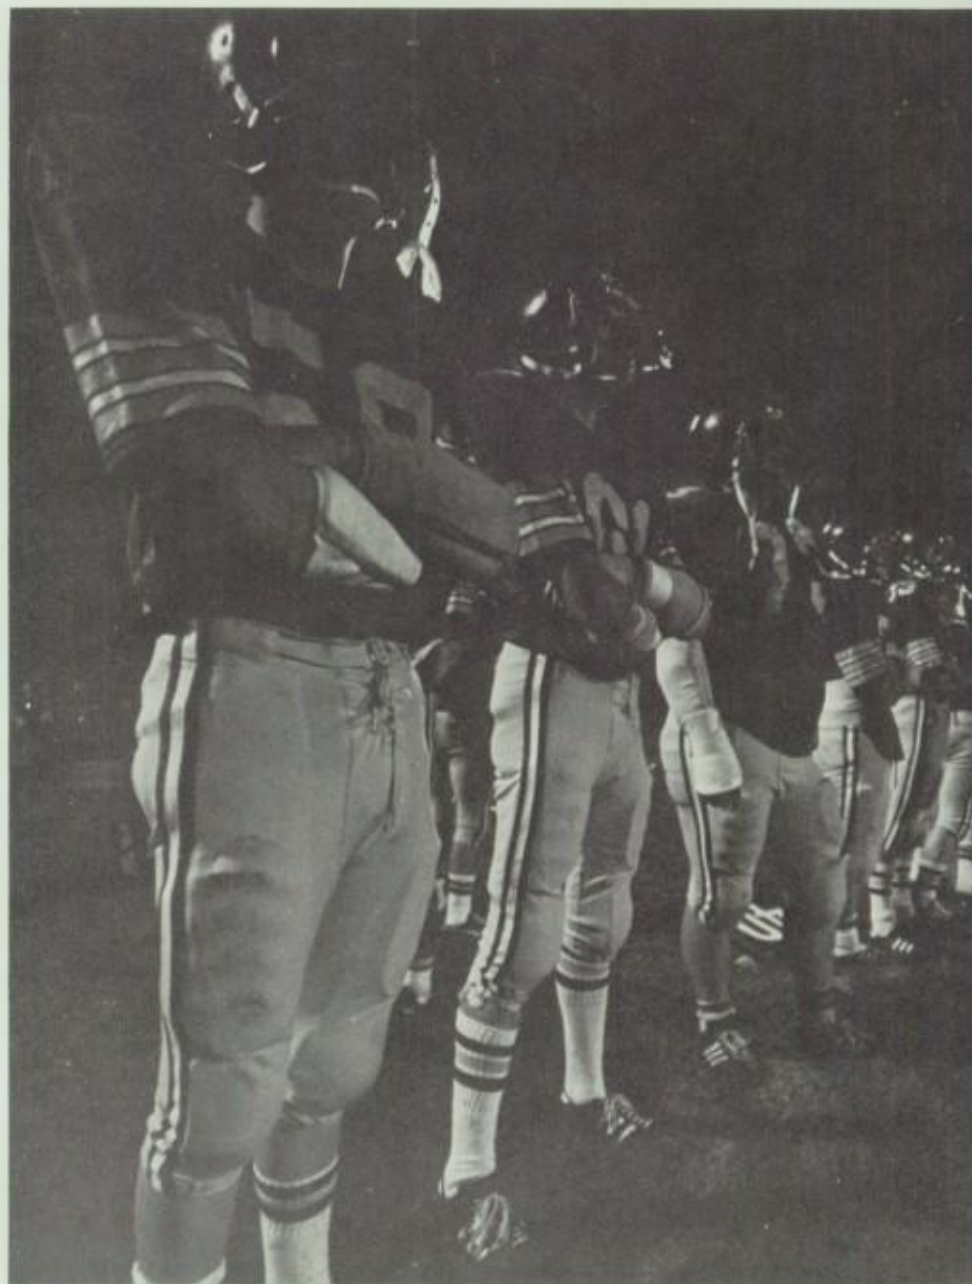

SPORTS

VARSITY BOASTS INDIVIDUALS

Blocking, hitting, passing, running, receiving ... Aches, pains, bruises, and crutches were a part of the 74 football season. The Bruins went with winning efforts to set the second best seasons record of Barlow history. The team's success came from their spirit, pride, and desire matched with all the confidence, optimism, and planning of the coaches Moeller and Ingram. This gave a winning combination that spelled victory over Oregon City, Tigard, and Reynolds. On top of these three wins the Bruins improved by boasting individual honors. Excelling on offense, Keith Jeffries, first team Columbia Division offensive half-back, honorable mention offensive guard, Mike Ward and Paul Opray, honorable mention offensive tackle. Working on defense, Tim Fitz, all League honorable mention split receiver and second team defensive half-back. Norm Schultz, second team defensive tackle, Mike Meade, honorable mention defensive line backer. Paul Opray, honorable mention defensive tackle.

GOOD YEAR FOR JV TEAM

The JV football team fought and clawed their way to a 5/4/1 win loss record. The hard hitting, highly spirited ball club was successful against The Dalles, Reynolds, Oregon City, Hood River and Lake Ridge. Many of the JV Bruins went both ways on defense and offense, coaches Mike DeBoise and David Falconer singled out Tim Metzger, Craig Sattergren, Jim Camp, Randy Moore and Tim McPheteridge for outstanding defensive play. The JV team consisted of 90% sophomores and displayed a powerful offensive attack on the ground and in the air. A strong running game complemented by quick running backs Jim Camp, Mark Jordan and excellent quarterbacking by Scott Stuart supported with good fundamental blocking techniques was the trade mark of the year.

The coaching staff is looking forward to next season. Although the JV team did not draw large crowds to their games they played solid football and displayed good sportsmanship at all times.

FROSH GRIDDDERS PERFORM WELL

Team effort and fundamental competitiveness characterized the Frosh A and B teams. The Frosh B squad ended the season with a 4-1 record, the best Frosh record ever in Barlows short history. The A team played equally as well but succumbed to injuries, penalties and mental mistakes to end the season with a 1-5 record.

Coaches Tom Starr, Don Campbell, Tom Johnson and Garry Jackson spoke highly of the team effort displayed throughout the season. The players on both teams had the desire and mental attitude needed to compose a fine team.

Highlight of the season was the win over Gresham when the rookie gridgers came from behind in the final period to outlast the Gophers 18-14.

VOLLEYBALL MASTERS SKILLS

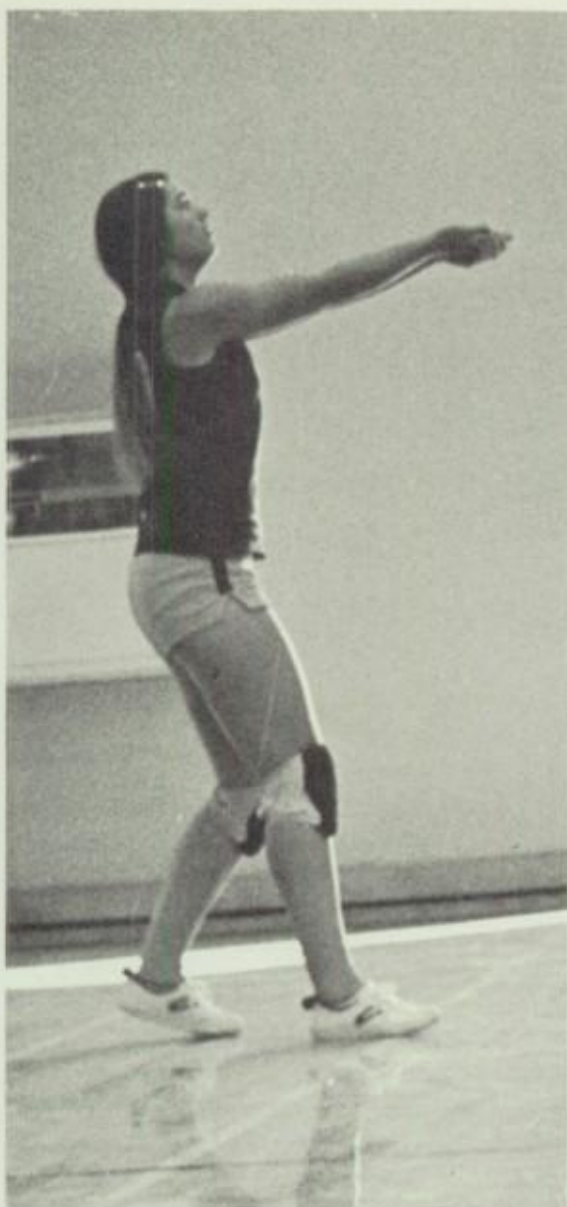

The 1974 Varsity Volleyball team displayed their excellence by placing in the district tournament. With strong determination and effort the girls worked together to take fourth.

The Junior Varsity season was not without its ups and downs. With self discipline and effort, the girls mastered their skills as best they could and many were pleased with the growth of personal improvement.

The Freshman Volleyball girls consisted of two different teams. The first team was made up of seven enthusiastic girls that did not let a ball hit the floor. Their game record stood at a fantastic seven wins and ONE loss.

CROSS COUNTRY BEST TIMES

With a five-nine seasons' record, Cross Country set the best times in the history of Barlow.

Running, jogging, sprinting, and working together was only a part of what the team members strived for - setting better records and improving individual efforts along the way. Varsity team placed twelveth out of fourteen schools, which is one place better than the year before. The team proved that they could do better, even if it was a step at a time, leaving next year to move up once again.

GYMNASTS SHOW COMPETITION

Super spirited, hard working enthusiastic: the only words that described the 74 Gymnastics team. The enthusiasm boasted by a young team made up of freshmen, sophomores, three juniors, and one senior, was topped only by their willingness and hard work. New during the season was an outstanding gymnast award, a bracelet, that went to one girl each week. The bracelet was given to Debbie Whalley at the end of the season as the award for outstanding gymnast for the year. Kim Stamm was credited as the most improved team member. The girls received new uniforms to set the season off in the right direction, only to find that they did not fit. After sending them to be refitted, the girls made a smashing appearance during the middle of the season as the best dressed team!

GIRLS EXCEL A ROOKIE SPORT

Barlow got in the swing of things and decided to have a girls basketball team. There was a large amount of enthusiasm among the girls as 56 tried out with 15 making the final cut. Beings it was the first year this meant developing the team into basketball players which even meant dribbling without looking at the ball. Seeing a game you could see Coach Gates did a good job of training and thinking about future years while showing girls could do it on their first time up. One thing that made them outstanding was courtesy shown to fellow players on and off the court. Players were sorry to see it end but line drills are forgotten easily but the memories last forever.

VARSITY CAGERS END POSITIVE

The varsity roundballers went through a frustrating, disappointing season which ended with four wins in the last eight games. Coach Tom Johnson and players felt like the season finished on a positive note with the ending 'win one, lose one' series.

The hot and cold cagers came close many times, only to lose a hard fought contest in the final moments. Coach Johnson indicated that next years team will profit from the exhausting schedule which included combat against the top ranked teams in the state.

The season 'turn around' game was against Tigard, Barlow triumphed 77-63. After this game, the hoopster team took on a different complexion. No longer did the team die in the closing moments. Clutch shots were made and important three point plays succeeded. The Bruins displayed courage and poise after the 'turning point' contest. Team work, and individual effort went hand in hand as the basketball team ended the season with a positive emphasis.

TOUGH J.V.'S WORK 'EM OVER

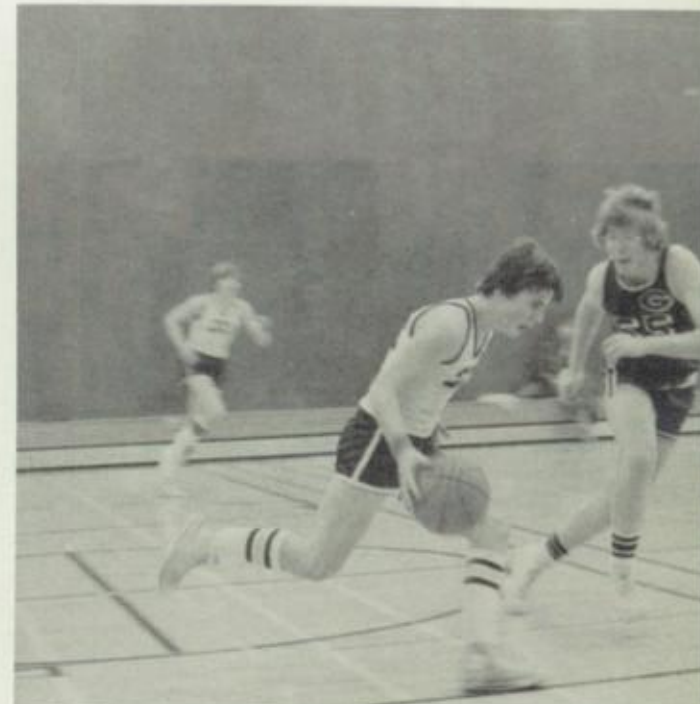

Another year gone by and the J.V.'s basketball season was fairly successful. Coach Debois strengthened his team in preparing them for varsity next year and in all the skills he does so well. The season record was 8 wins and 12 losses, with most games scored evened out, and super exciting to watch and involved. Also giving credit to the rally girls for adding a little razzle dazzle to the game. Towards the end of the season we were fortunate enough to have Mr. Dials bring his starting five up into the J.V.'s. What a great way to start a whole new season for next year.

SOPHOMORE TEAM RECOVERS LOSS

Half of the sophomore team was demolished with most of their starting five moving up to the tougher J.V. team. What a drastic change for the handsome Mr. Dials to cope with. But the team held their composure and chalked a few wins up in their column. It was all a challenge but they managed to pull out a good season with 7 wins and 13 losses. Every one wishes you Bruins the best of luck next year!

LITTLE ROOKIES GET EXPERIENCE

What an experience for learning all the tricks of the trade as being a high school athlete. We really showed them, with the A's having a 11-5 record, and the B's with a 5-11 win, loss record. Some baby Bruins might not have thought it was so cool running endless miles of line drills, being hammered in the head for uncalled mistakes, but the tough Bruins always manages to be rewarded in some fashion. Sometimes they were faced with opponents that were a little rougher and tougher, but Coach Kennedy and Coach Carpenter never lost hope. Keep working on your shots, you've got a lot of potential for the coming years!

SWIMMERS BEGIN GOOD FUTURE

This year Barlow swimmers had their best season of the school's history. Many individuals excelled and qualified for the state meet, eight to be exact. Jodi Bateman, Cindy McMichael, Maureen McMichael and Joan Sunderland as the girls' 200 yd. medley relay team placed 4th at district. In addition, Joan Sunderland took 1st in the 500 free-style and 2nd in the 100 yd. butterfly. Cindy McMichael placed 1st in the 100 and 200 yd. freestyles and also went on to state. Matt Ivey, Tom St. Hillaire, Robert Taylor and Ray Young comprised the boys' 200 medley relay as they placed 2nd at district. Robert Taylor also qualified for the state meet by placing 1st in the 100 yd. butterfly.

The Swim team worked out hard in the morning before school and finished the school day with another workout. Dedication was an important factor in the season. The 74-75 swim season will be looked upon as the beginning of a long history of swimming success.

SKI TEAM STATE PLACERS

The boys ski team placed tenth in the state competition, the best showing by a Barlow ski team in the history of the school. The boys placed 5th in the Wilco league and the girls placed 7th. A very fine representation by both teams! Coach Curt Knight & Beth Kluth cited efforts by Gina Fuller and Lori Lofstedt on the girls team, and outstanding individuals on the boys team was Ed Ford, Robin Alvarez, Dan Brown, Kevin Filer, and Alan Ford. The outlook for next year is very bright because most of the individuals will return and the ski team will lose very few contestants through graduation.

NEW COACH WINNING SEASON

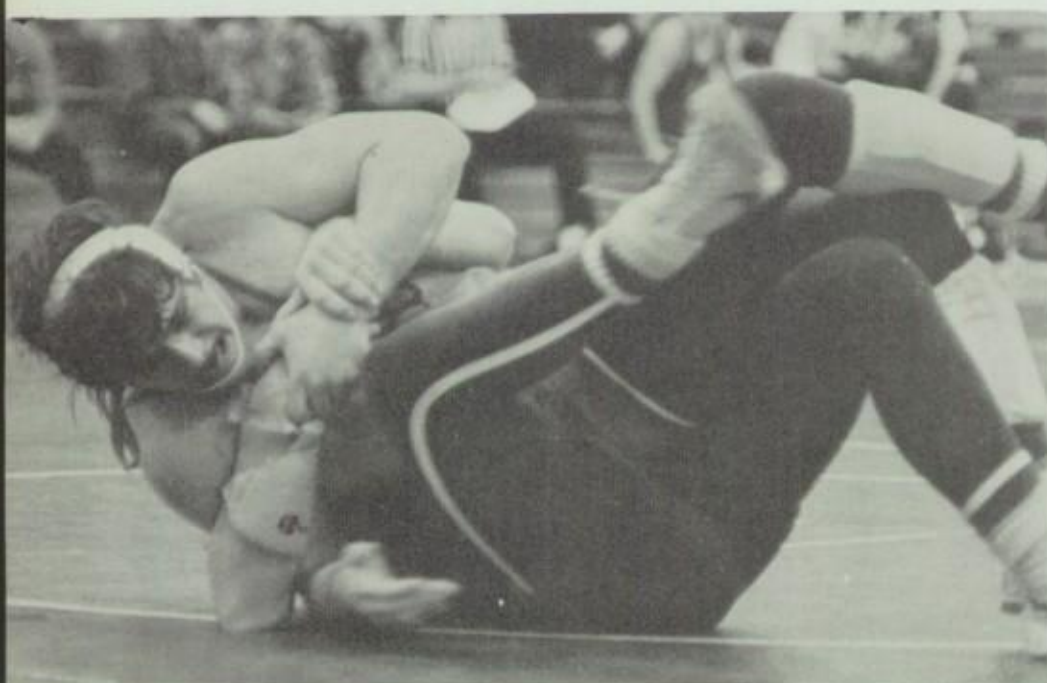

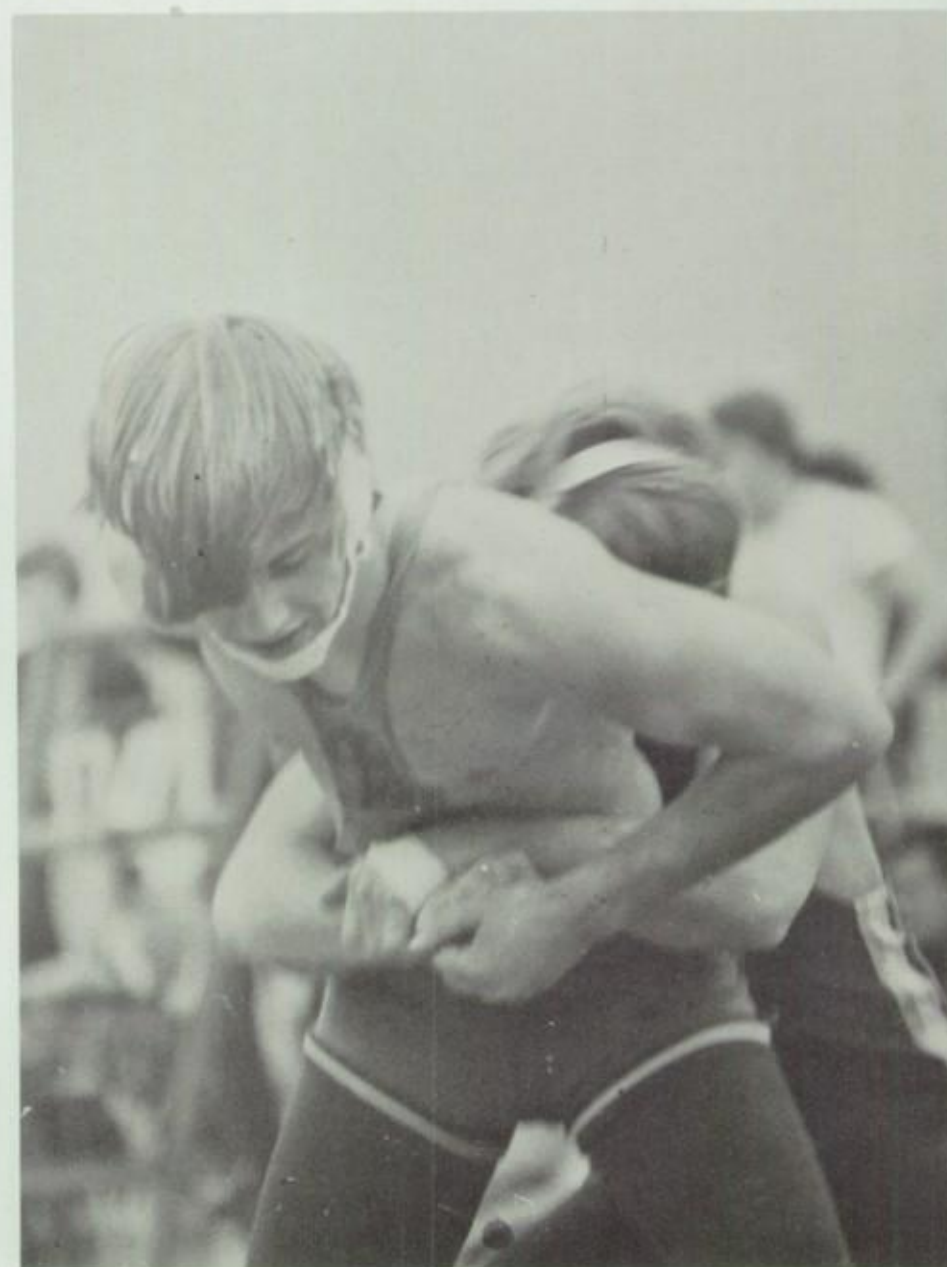

This year's varsity wrestlers had the word win in their eyes from the beginning of the season. Their strong point was shown in grueling duel meets.

The mighty men were supported by a following of fans, who showed up to cheer them on through thick and thin.

Bruin varsity wrestlers worked hard as a team to get the job done. Anyone who attended a wrestling match this year could feel the spirit build as the whole team suffered through a tough match of a teammate. This kind of group effort is what sent the team to the top.

Having a new coach sometimes handicaps a team, but not in the case of Coach Ingram. He brought with him a winning attitude and the team picked up on it.

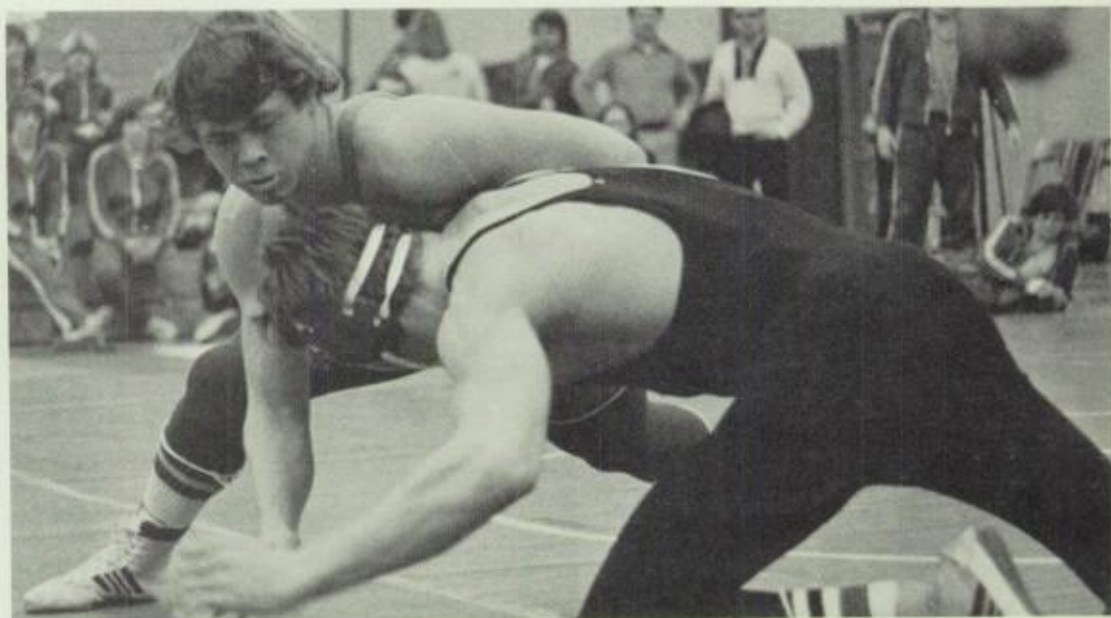

The many long hours of practice do pay off. In the case of our varsity team this year we had many outstanding wrestlers. The team lacked age, having only five seniors, but not experience.

VAR II SHOW SPIRIT & UNITY

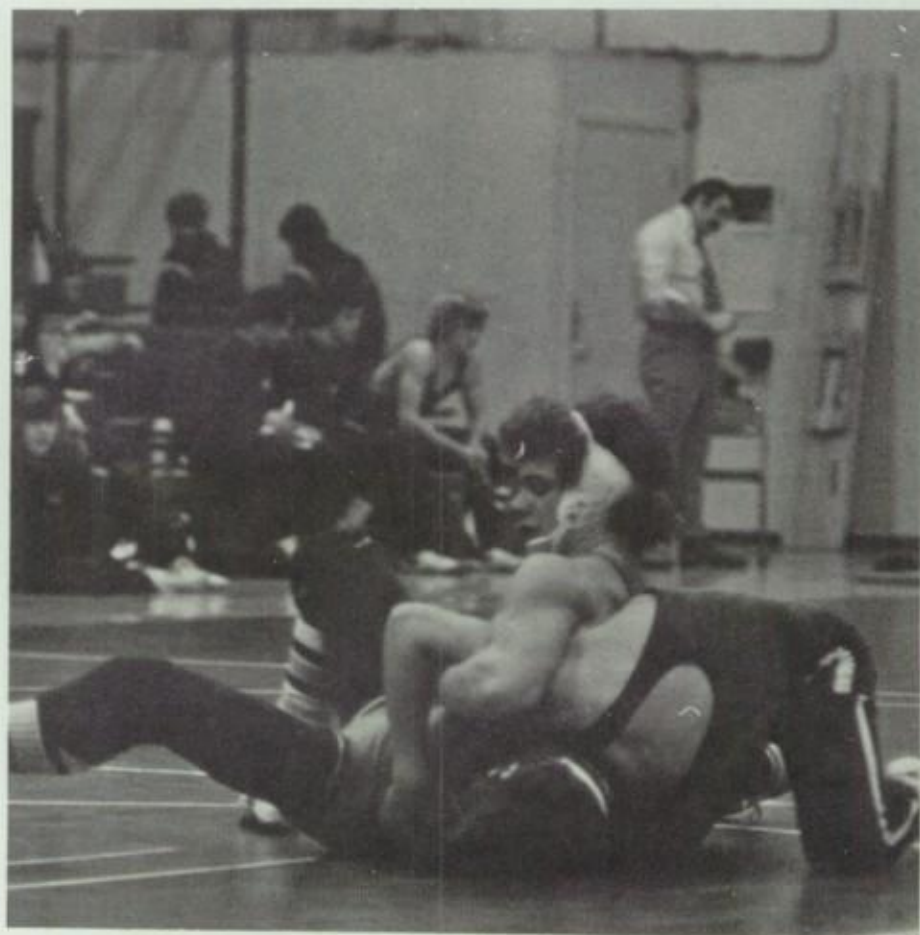

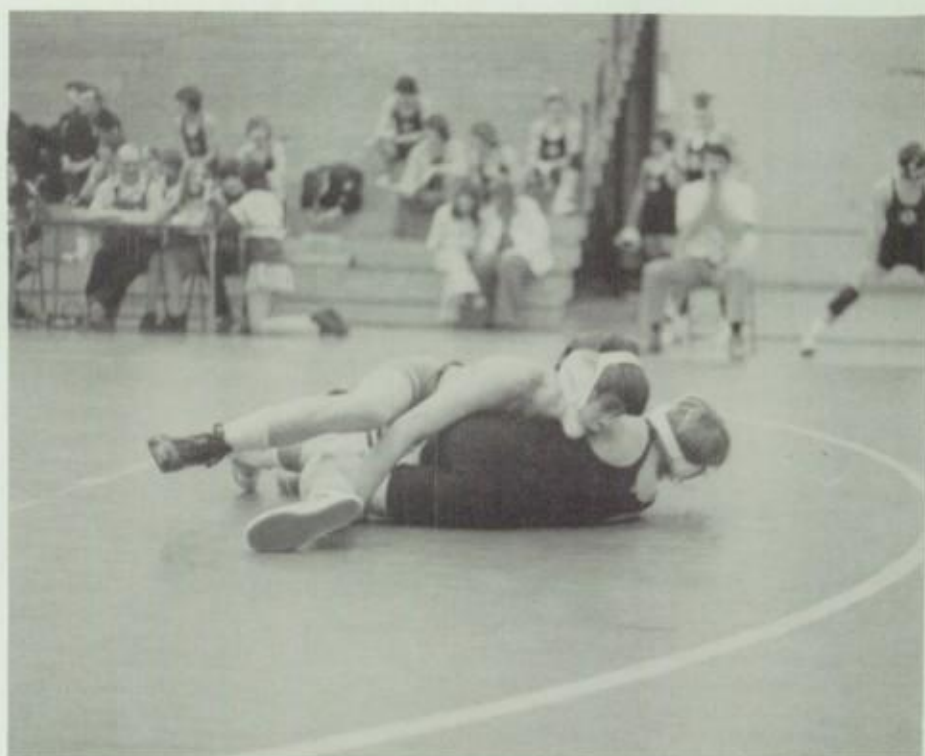

Varsity II Wrestling team this year was made up of many returning sophomores who brought with them the winning spirit, and knowledge of their frosh season. It's hard to lose when each individual wrestler is a member of such spirited and close unit. When one member of this working unit took a loss after a hard match, each member of the unit felt his pain and grief.

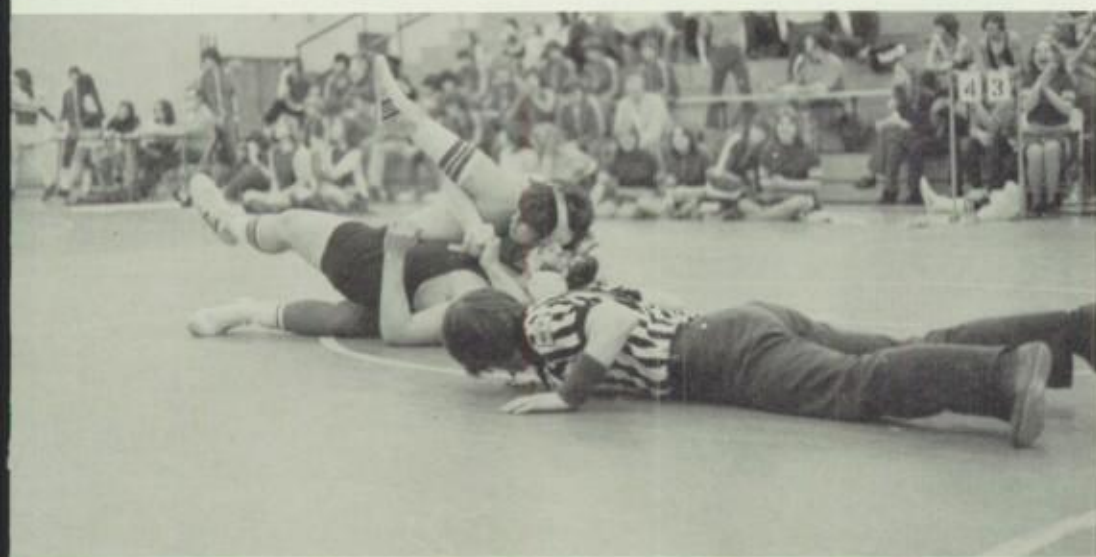

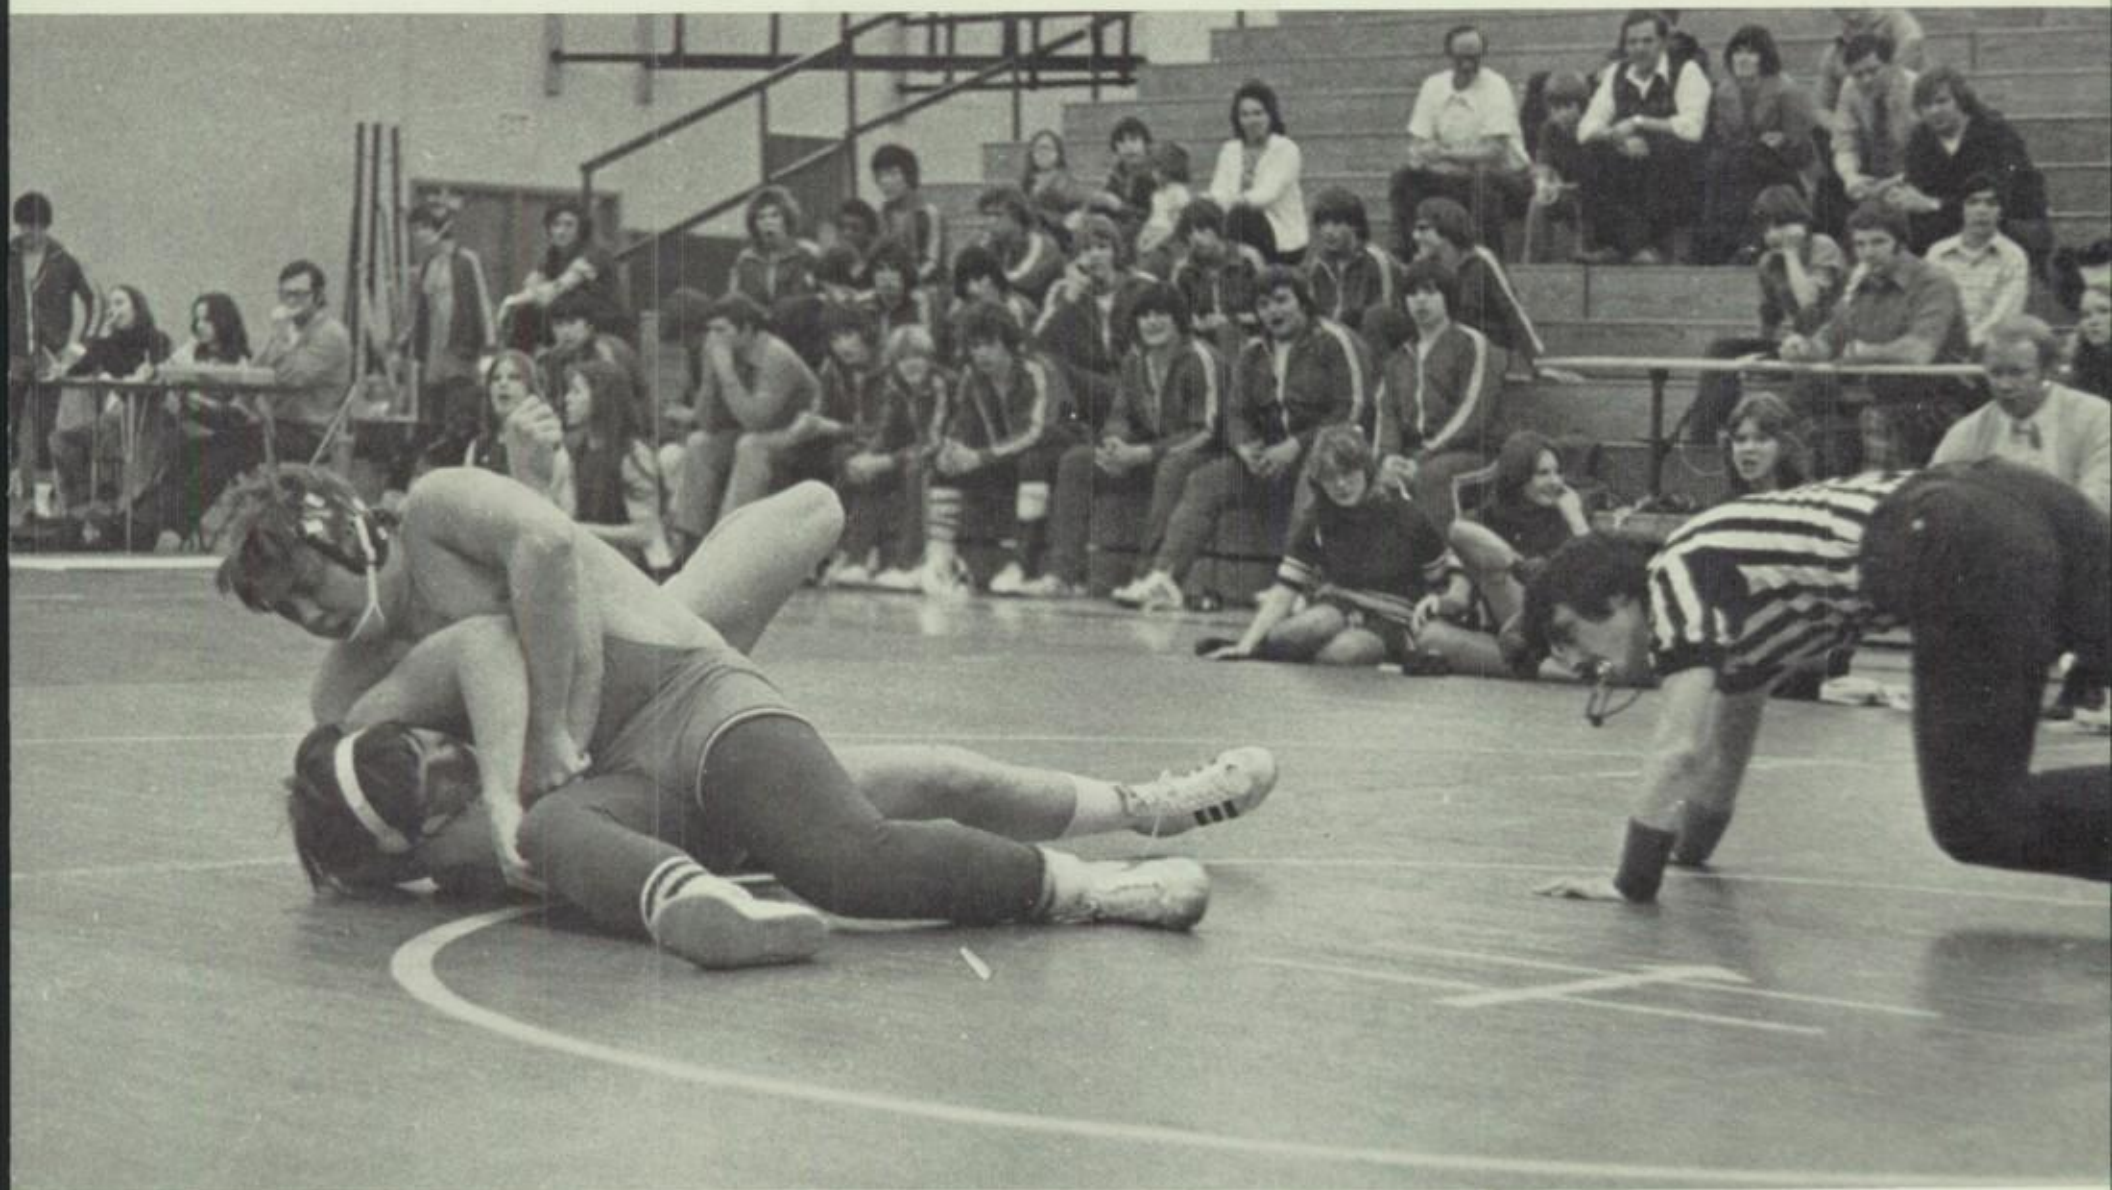

Mr. Falconer is a coach who does his coaching during practice and lets his men wrestle their own match, with only a few suggestions and an encouraging word after the match.

If this group stays together, next year's varsity team will excel to new heights in Barlow history.

A fine group of girls who call themselves the Bruin Bear Huggers added much to the wrestling season by making locker decorations and tons of cookies for all of the guys. They also helped during the matches by keeping score, taking times and cheering for the wrestlers. This group of spirited girls was led by Miss Anderson.

FROSH POST

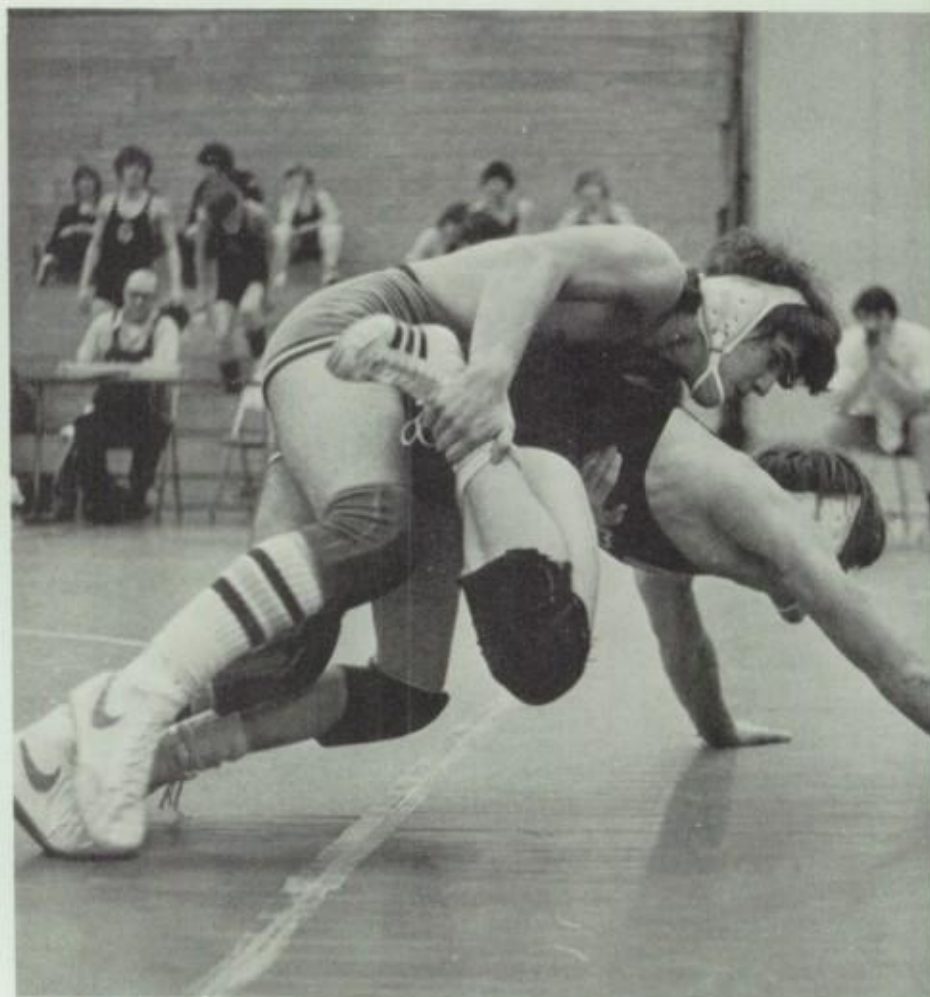

WINNING SEASON

This year's frosh wrestlers had the reputation of many great past frosh teams in Barlow's history to live up to. For many of them the idea of long hard practices was a new one. The Baby Bruins quickly learned that hard work is the key to success.

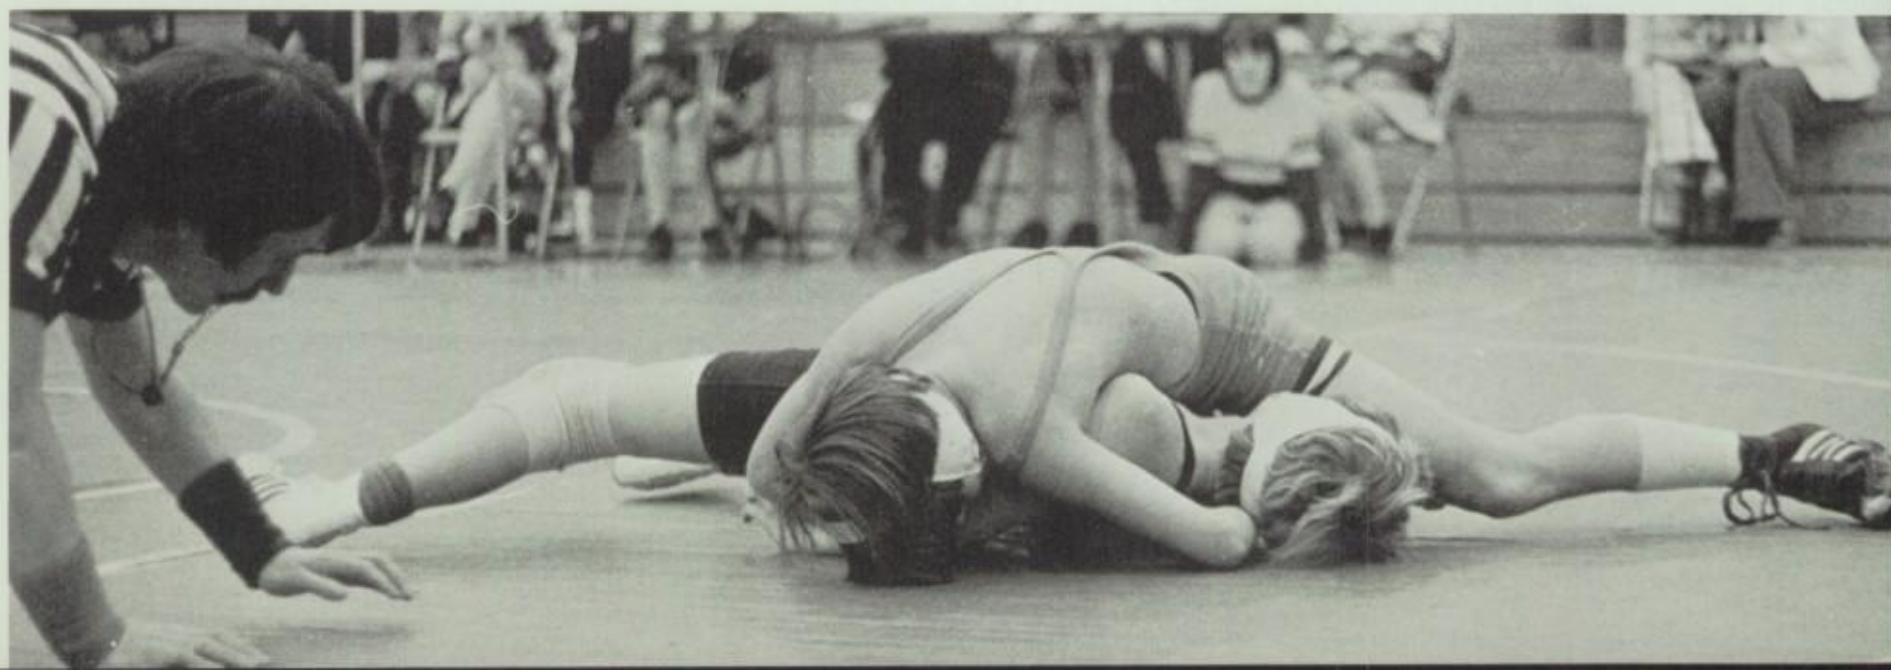

Our frosh wrestlers this year were coached and molded by Mr. Starr and Mr. Moeller. With the combination of a talented coaching staff and a group of hard working freshmen wrestlers, the result was a success.

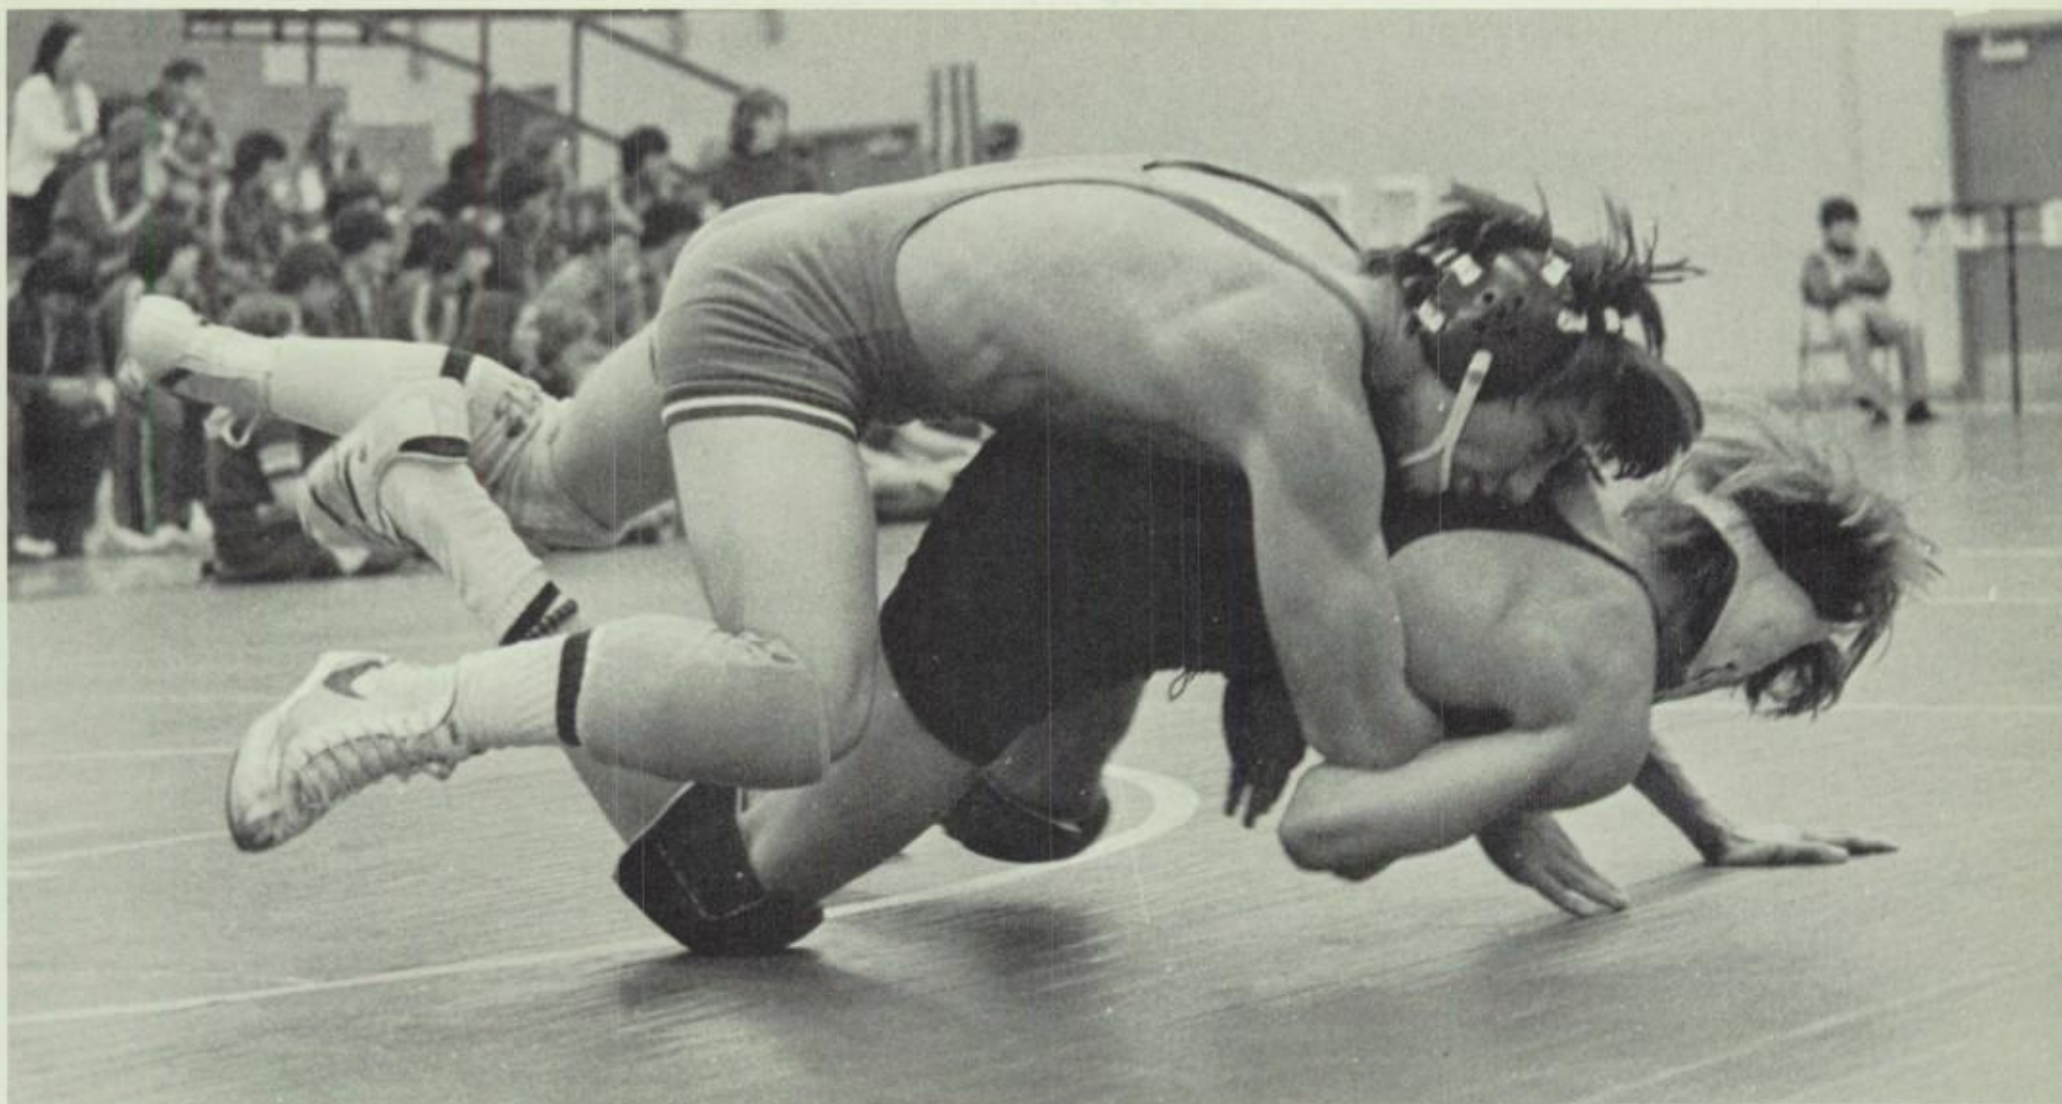

"It's not the size of the cat in the fight; it's the size of the fight in the cat."

BOYS PLACE IN STATE TOURNEY

Sixth in state competition! That was how Barlow finished the 1975 track season. The high placing in the state meet was due to the efforts of two the members of the track team. Kurt Hartney and Jim Pitts both placed in their respective events, Kurt won the 440 and placed 3rd in the 220 while Jim placed 3rd in the shot put.

Many school records were broken throughout the year by many other team mates. Coach Aaberg praised the efforts of the two individual state competetors but quickly added that the entire team effort was instrumental for the 6th place finish in the state. The 1975 team was

much improved over previous track teams fielded by Bruin students. Participation was a key to the successful season according to the head coach. Many of the team members were first year men or unexperienced second year competitors. The coaching staff looks forward to the future with optimism because most of the team is comprised of sophomores and juniors. The Wilco League foes should be wary, when the Bruin spikers take the combat field! 1975 was just the beginning of track excellence for the Bruins.

FEMALE SPIKERS SHOW STRENGTH

Coach Rosemary Evans described the 1975 Bruin female trackers with one word, "Improvement!" The girls enhanced personal goals, set new school records and impressed many Wilco schools as being fierce competitors.

Coach Evans was very pleased with the young ladies. Before this year the female spikers had not ever won a dual meet, the 1975 team improved and excelled in all of the events.

Just a few of the girls which made outstanding efforts and demonstrated progress were: Lisa Culver, Penny Goins, Kathy Jelley, and Judy Krueger, the 440 relay team. Theresa Squires set new school records in the mile and half mile race.

Coach Evans explained that almost the entire squad will return to the track and field team next year. Therefore; the other Wilco school should be careful when competing with the Bruin ladies.

BASEBALL WILCO LEAGUE CHAMPS

Wilco League Champs are 12 happy teammates of whom Coach Dale Stebbins and all of Barlow are extremely proud. It was made very evident by the standing ovation at the awards assembly. Excitement filled the auditorium as the players accepted their awards for the "Wilco League Championship."

Throughout the season, the presence of the Bruin Machine folding up and leaving town was felt by everyone. Everyone, but the team that is. The team was always ready and waiting to punch out their opponents.

The powerful Buins did not leave the Wilco League Division all that disappointed. With a record of 21 wins and 7 losses, and many awards, our team was a fantastic ball club.

The seven players named to the Wilco League All Stars, were first team, junior Kelly Ferris, senior, Tim Fitz, and senior Dan Wolters; second team- junior Bruce Koch, junior Gene Regimbal, and senior Dan Nettleton; honorable mention went to junior Greg Phillips.

Two members of the State-Metro All Star Team played in The Dalles, they were Tim Fitz and Dan Wolters.

First team All State honor went to Tim Fitz and honorable mention went Kelly Ferris and Dan Wolters.

The honor of team captain went to Dan Nettleton, and most valuable players went to Dan Wolters and Tim Fitz.

They all improved immensely and continued throughout the summer baseball season on the "America Legion Teams."

JV COMPETITION FIERCE—WILD

Coach Jim Chambers had a fiery baseball team to coach at the Junior Varsity level. His team was continually fierce in competition and drew strong praise throughout the year. Each time the young men took the field there was an element of savage wildness that could erupt at any moment to spur them on the winning trail.

The JV team was a constant source of conversation during the season due to the fine playing by the team members. Although hitting was not a strong point for the club, they scored runs against some of the best teams in the league. Often times the flaming desire of the players was evident and displayed by attempted double plays and base stealing.

TOP: Catching the ball during practice is Jeff Brooks. MID-DLE: Team members during 1975 were: Ray Ruby, Ron Presky, Bill Hartley, Jeff Brooks, Tim Chaney, Dino Favara, Robert Barney, Scott Rogers, Scott Pitton, Chuck Warren and Mark Lunquist. BOTTOM: Out! Another double play attempt turns successful.

FROSH TEAM PLAYS BALL

Coach Gary Jackson spoke highly of his baby Bruin team. Hard workers, enjoy the game, and learn fast were some of the phrases he used to describe the youngest baseball team to enter competition in 1975. The frosh team was very successful and represented their class well.

Kerry Jeffries, Dwight Shriver and Steve Turner were only three of the many team members singled out by the coach particularly impressive and should certainly be asset for future teams. The freshmen team has a high goal of topping this years varsity when they become of age. Coach Jackson expects the team to continue to improve in the area of hitting and pitching, when this occurs they will be 'big time' winners in any league!

TOP: Frosh team scores an out on a play at third base!
MIDDLE: The fantastic freshmen team consisted of: Randy Hardey, Tom Johnston, Mike Whitten, Kerry

RACKET TEAM SMASHES FOES

The Bruin tennis team finished the year with a very successful 16-4 win/loss record. Coach Frank Surmeyer described his team as terrific! Since he did not lose any players to graduation, he will optimistically look to the future.

Nat Pearson and John Surmeyer were two outstanding players that earned the honor to attend the state tournament as a doubles team. The two boys won four out of five of their matches at the district tourney.

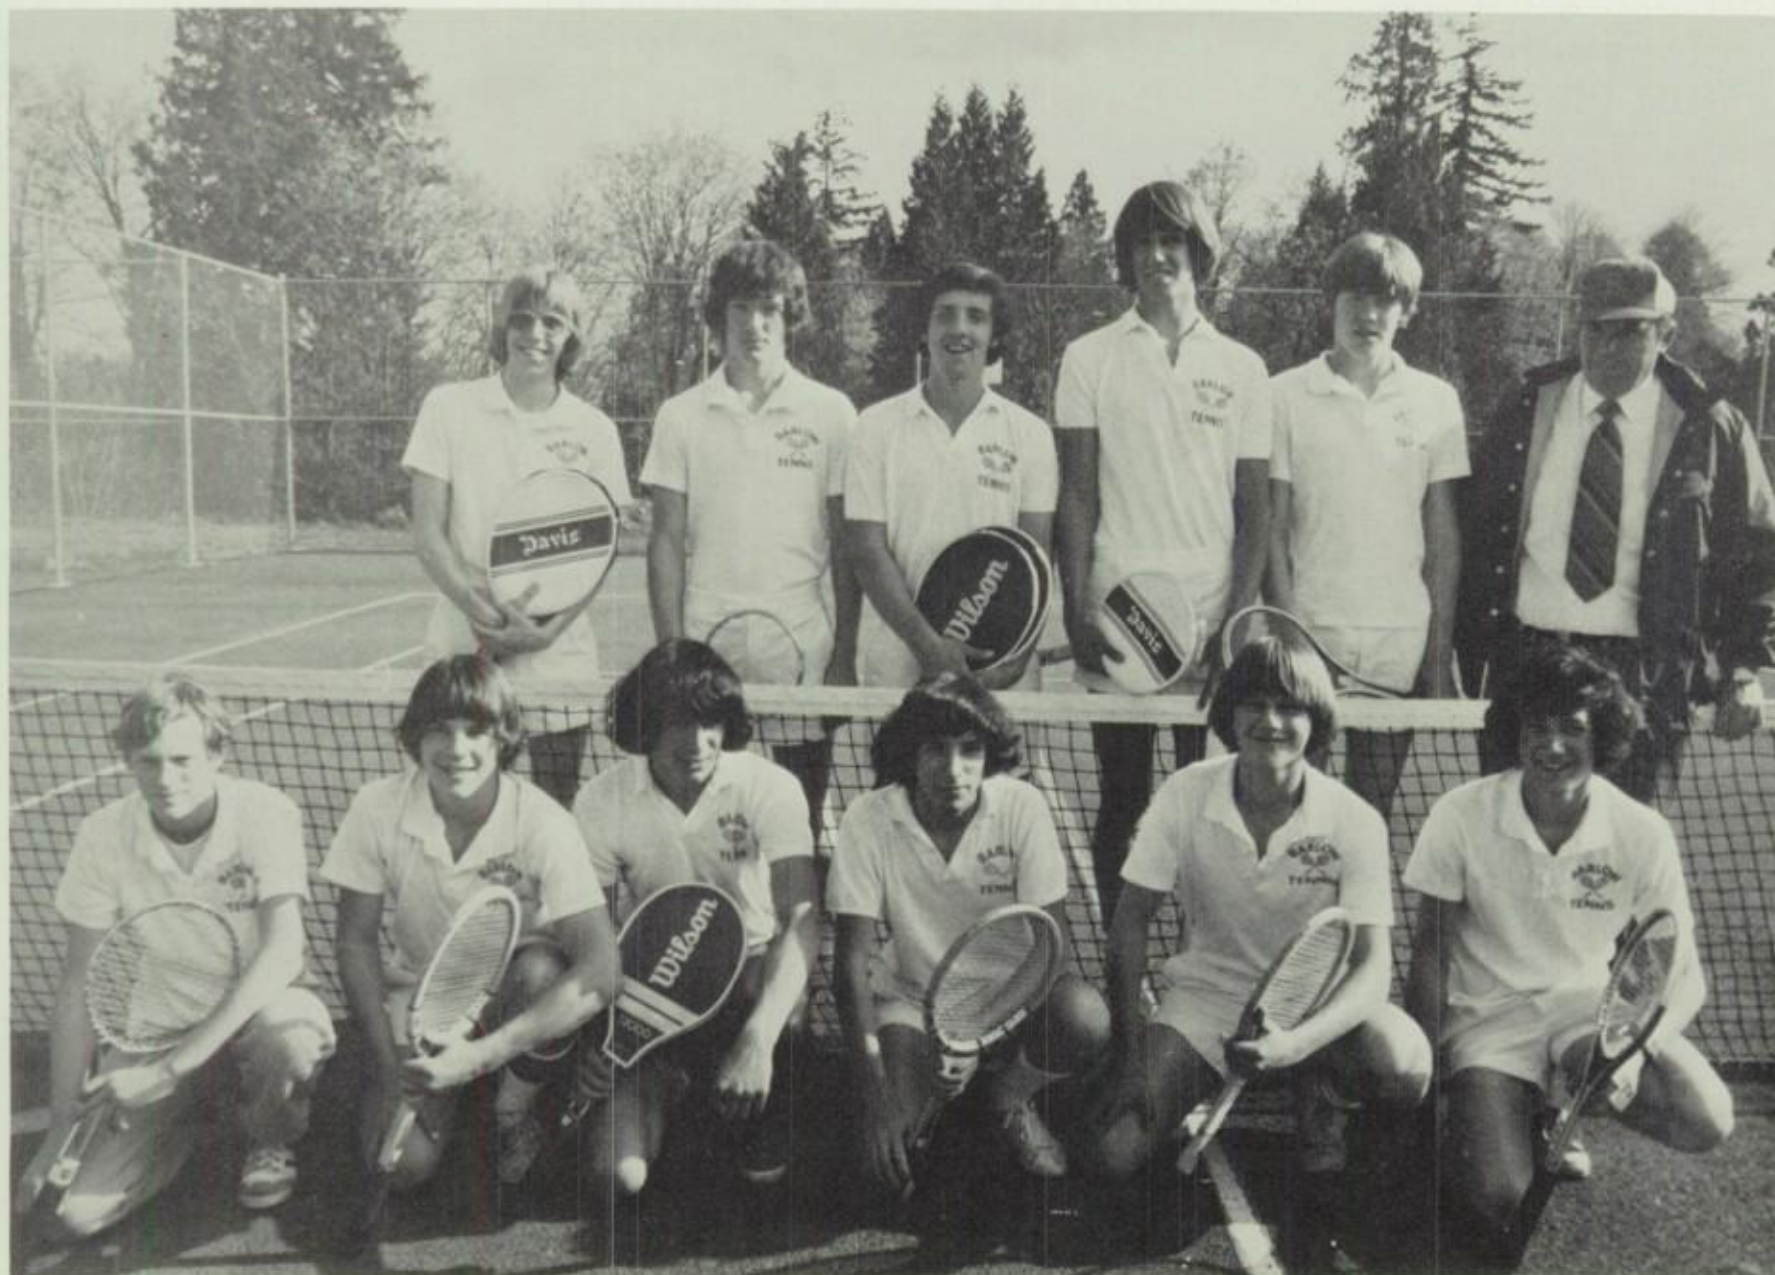

Coach Surmeyer stated that the success of the season was due to the efforts of Bob Anderson, Steve Dials, Mark Klobas and Clark Soden. In the future years, the tennis team will be a power with which the rest of the state must contend.

LEFT: Bob Anderson concentrates on his opponent. TOP: Steve Dials and Bob Anderson team up for action. MIDDLE LEFT: John Surmeyer and Nat Pearson show their skill as a doubles team.

BOTTOM: The team consisted of: Pat Mahoney, Mike Whalley, Robin Alvarez, Bill Farwig, Mark Klobas, Doug Strebin, Nat Pearson, Steve Dials, John Surmeyer, Bob Anderson, Clark Soden, and Coach Surmeyer.

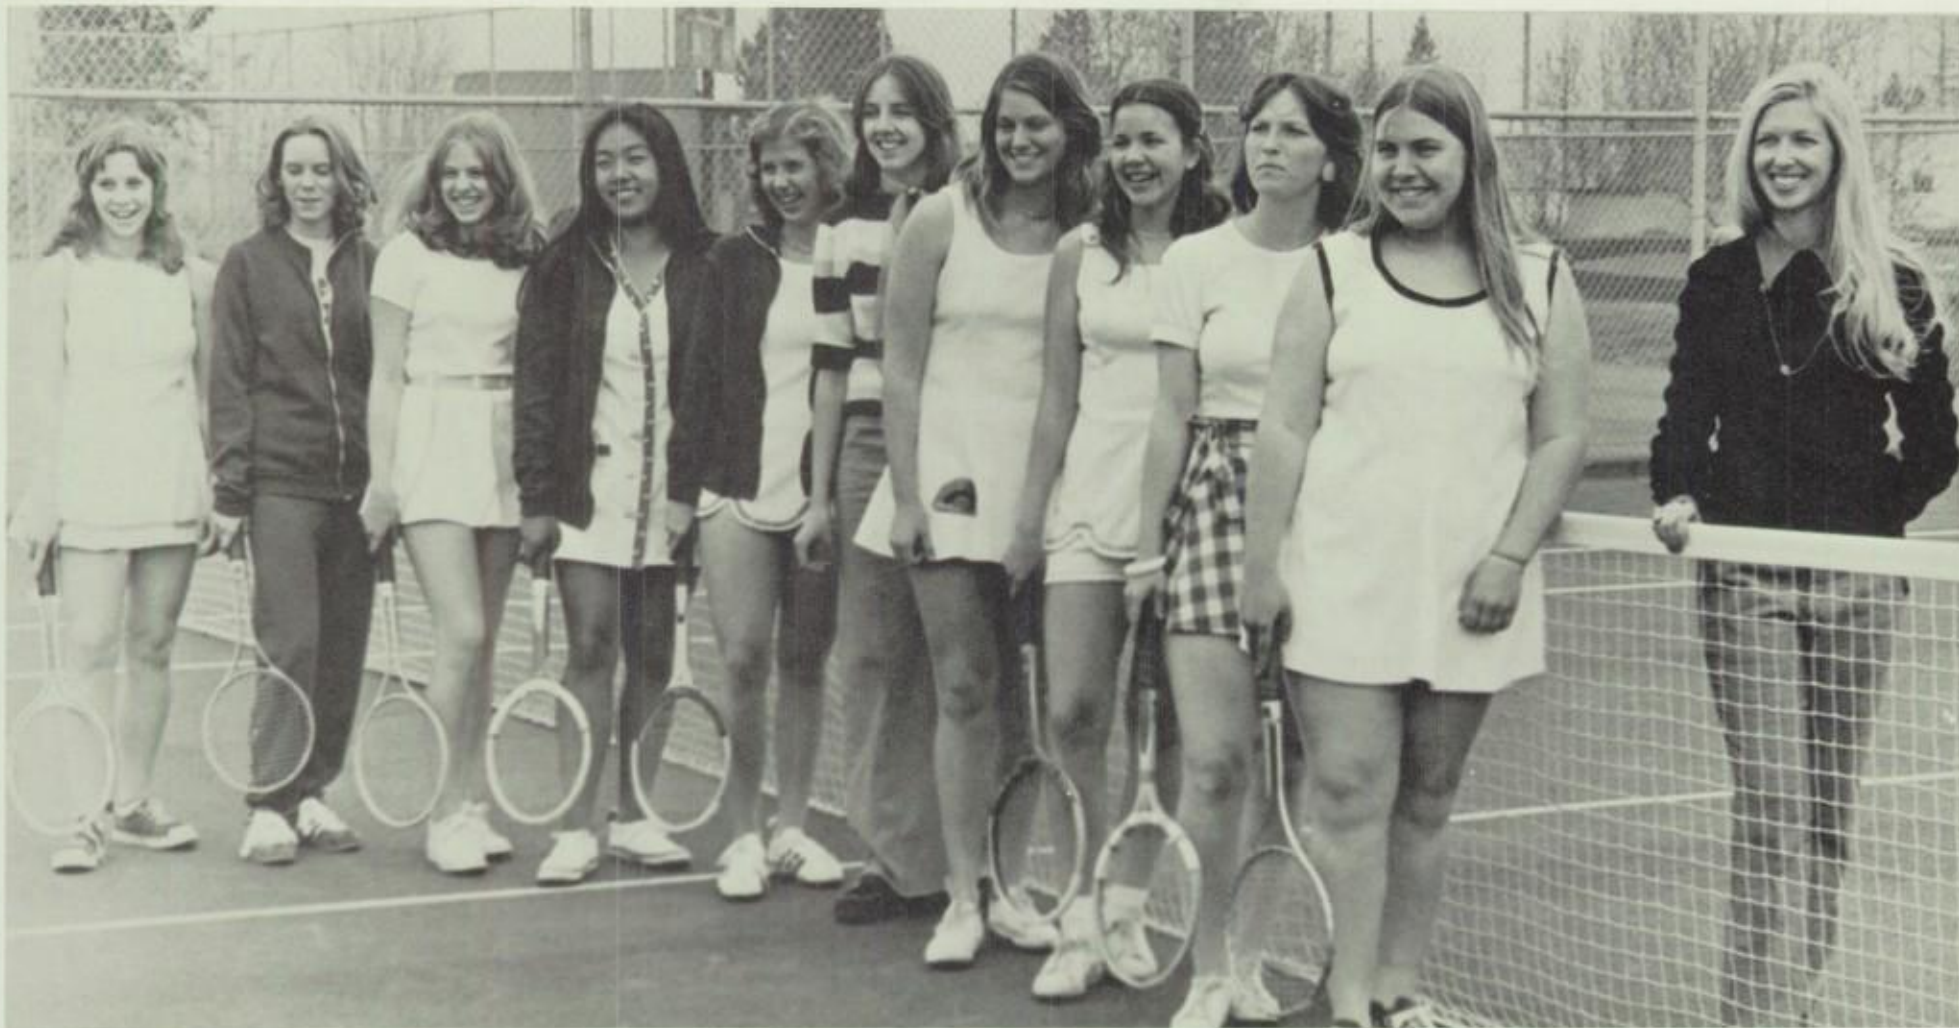

IN TENNIS GIRLS EXCEL

"A year of improvement" was the way Coach Linda Barger described the tennis team. The girls sent three players to the state tournament. Kathy Strebin was a singles representative and the doubles team was composed of Laurie Hillyard and Donna Yamashita. The team placed second in the district tourney.

The girls tennis team lost only one member to graduation and should prove to be even more successful in the future. Other girls who worked hard throughout the season were Diana Keels, Theresa Keels, Linda Lynch, Laurel Moller, Nancy Paulson, and Molly Welsh.

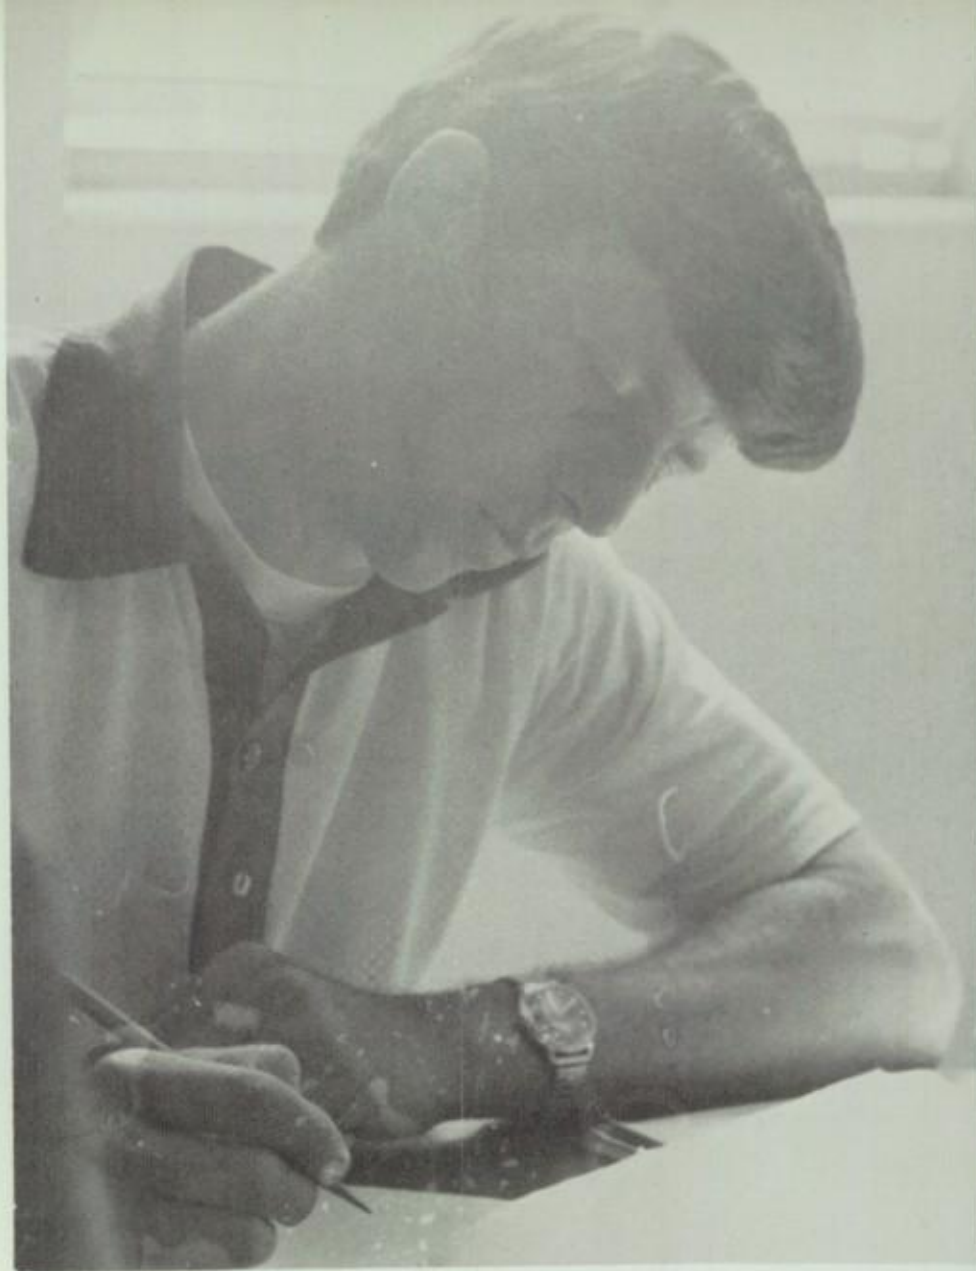

OPPOSITE PAGE: Coach Barger looks happy about her team. Kathy Strebin and Donna Yamashita are always alert during play. TOP: Team members were: Cindy Olvred, Linda Lynch, Laurel Moller, Donna Yamashita, Molley Welsh, Laurel House, Laurie Hillyard, Kathy Strebin, Theresa Keels, Nancy Paulsen, and Coach Barger, LEFT: Theresa Keels hits the ball hard and true!

YOUNG MEN GOLF WELL

The boys' golf team was a young team, it played well and looks to future years as a powerhouse. The team consisted of freshmen, sophomores and juniors, lacking senior talent. Junior Larry Skreen qualified for the Wilco League All-Star team as he shot a 76 at the Boys' District meet. The Bruin team placed 13th in the tournament.

The team consisted of: Coach Mike DeBoise shown ABOVE RIGHT working on score cards, Ken Maes, Gary Rodgers, Jody Dials, Mark Budke, Larry Skreen, Daryl Detell, Greg Franklin, and Steve Busse.

A highlight of the year occurred when the young men outclassed the district champion, Centennial, in a dual meet. The team has potential and should comprise a fine team record in the future.

GIRLS BUILD GOLF FUTURE

The 1975 girls' golf team consisted entirely of sophomores and juniors, therefore the future looks bright! The girls' team finished with their best season ever by posting an overall 15-2 win loss record. Coach Tom Johnson predicted that the girls will be favorites to win the Wilco league in 1976.

Coach Johnson commented that the spirit was high, the girls dedicated, and individual play excellent. With these qualities going for a team, it is understandable why the future years should be positive and productive.

During the first girls' AAA state golf tournament sanctioned by OSAA, Kim Stamm led all Bruin golfers with a 18 round total 102, as the team captured fourth place.

The girls golf team consisted of: Kim Stamm, Cindy Curits, Mary Kay Jarrett, Kim Bartell, Cari Whittingham, Valerie Davis and NOT SHOWN Bernie Jarrett.

SPIRIT SHOWN BY RALLY'S SUPPORT

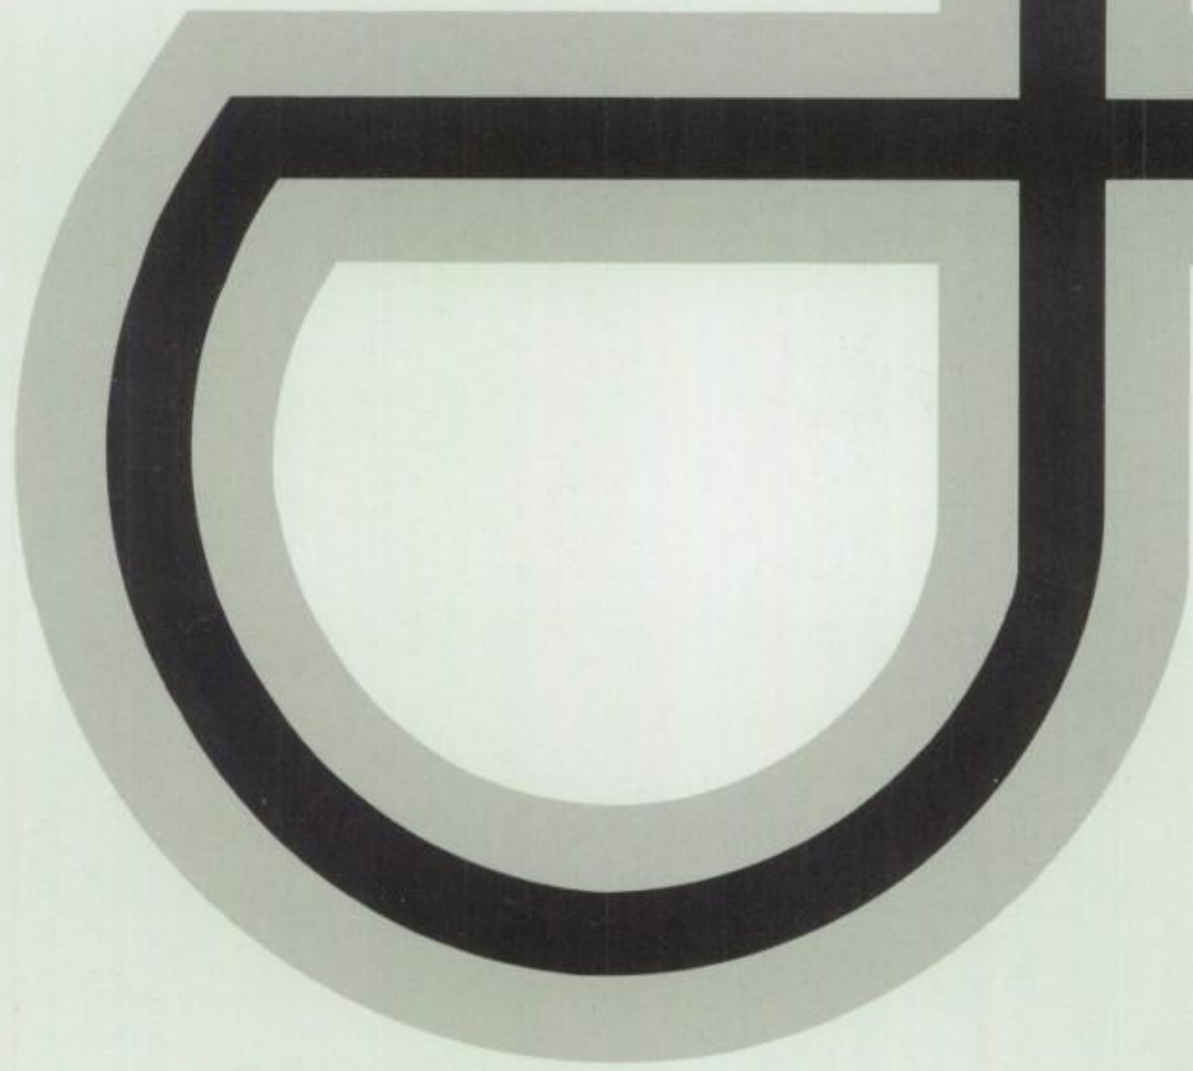

This years rally girls put in many long hard hours of practice to make each season a success. Everyone was busy making gifts, locker decorations, and little nick nacks for the players in appreciation for all the time they spend practicing during their season. The girls excelled in spirit and enthusiasm to make their season one filled with lots of excitement and happiness.

FROSH GET IT ALL TOGETHER

The baby Bruins, the class of '78, finally arrived at Barlow. With them, they brought the hurry and scurry of organizing 423 students. Under Mrs. Kelly's assistance they elected their class council. Approximately twenty students formed a committee to write a class constitution, which turned out to be a meaningful success. The Barlow frosh constructed the prettiest float for Homecoming Week. During Spring Fever Week, they swept 1st places in both hall competition and dress-up days. Sponsoring the whopper jar during Bear Down Week was another big Frosh activity.

Even though the Freshman elicited laughter from their elder classmates, they tried their best, and have shown that freshman can get organized and be a meaningful part of every school function.

SOPHOMORE SPIRIT EXCELS

The Sophomore class of '77 started the year with an enormous amount of spirit which was recognized by being awarded the spirit jug at the Homecoming pep assembly. The Sophomore class float was given the most spirit shown award. Class princess, Kathy Strebin, was presented to the student body as the float made the honorary trip around the track.

The class of '77 contributed many students to Barlow's outstanding teams and activities. The entire Sophomore class was comprised of many talented, dependable, capable and willing students who worked both in front and behind the scenes. The enthusiasm and spirit grew as the year progressed. And certainly, people will look back upon the class of '77 as the best class that ever entered the halls of Sam Barlow High.

JUNIORS GET IT TOGETHER

The class of '76, the bicentennial year, is a class which spread involvement to all areas of student activities. The entire class labored together to make the Junior-Senior Prom the biggest and best prom ever. Working together, they raised money sponsoring Homecoming Week and a dance following the Victorious football game against Tigard.

This class, class of '76 was a shining example of how hard work and dedication result in achievement of predetermined goals. Junior class contributed much to school activity programs by being involved in all activities and giving leadership and organization to many important functions. With the assistance of Mr. Coppedge, the Junior class certainly made history memorable during '74-'75 school year.

Theresa Crum and her friend John, pay close attention to what their teacher is saying.

SENIORS SHOW LEADERSHIP

The Senior Class of Sam Barlow was the class which led the whole student body in many activities. During Homecoming, their float received the 1st place ribbon for all-around best. They sponsored two dances, which raised enough money to send the Senior Citizens to Eastmont Lanes for a bowling party. They participated in Bear Down Week and their leadership was shown by being the first class to present a gift to the school. A wood carving of the school coat of arms and seal by Joe Vandehey, was embedded in the floor by the trophy case.

Leading the rest of the school and setting an example for all incoming students seemed to be a motive which made the class of '75 a successful one.

Kathy Knudeson smiles for the photographer while gathering her books for her next class.

WITHOUT END BY JANICE BLUE

The sea runs without end, sometimes slowly, sometimes swiftly,
eternally creating
formations and images in the sand.
It is the same with life.
We live, some of us quickly,
others with caution, taking time.
And the experiences
create lines and impressions,
and our faces,
like the sand, show what happens in our souls.

TOP LEFT: Trying to decide on a skit for Club Day are Lettermen Bob O'Brien, Dan Nettleten, Jeff Davidson, Keith Jeffries, and Mr. Stebins their fear-loss leader. TOP RIGHT: Ken Johnston begs the photographer to take his picture.

Trying to sell this timid, shy Denise Groskoff during lunch to raise money for the Lettermen are Bob O'Brien and Norm Schultz.

FACULTY SURVIVES YEAR

The school year of 74-75 gave our administration a lot to handle and even more to look forward to. The administration was made up of our principal Mr. Taylor, Vice principals Mrs. Bumula and Mr. Gilliam, and the teacher evaluator, Mr. Minnis. This year the administration and the school board had the load of 1300 students on their hands.

One of the problems that the year brought was too many students and too little space. Coping with this troublesome situation gave our administration even more hopes of a speedy completion to our new addition of the school. With this in mind, they instituted new ways of learning in the classroom. One of the new methods was the promotion of PROJECT VIEW POINT. With the administration supporting PROJECT VIEW POINT, it gave many teachers and students a chance to experience a new way of learning through visual and audio means. With this experiment project proving successful through the year, it gave our administration much room to build for better educational procedures and learning techniques for the future.
